Devoted to the Interests of the Church
in the Diocese of Algoma

ST. AUGUSTINE'S, WHITEFISH FALLS

Whitefish Falls, Ontario.

To the Editor:
Dear Sir:

May I be allowed a little space in your paper to bring forward a problem which I cannot solve without help. Briefly, the problem is this. We have sixty-three children in the mission badly in need of a school. At present my wife and I are teaching these children in an old tumble-down building which is frightfully cold in winter, and in the church cellar which is badly lighted and ventilated and very damp. Some of the children have passed the Entrance examination and are taking up first and second year High School work. The nearest school to our mission is twenty miles. Doctors and hospitals are the same distance. Once the winter sets in we are indeed isolated.

The situation here I feel is not found elsewhere in the Province, for in other places the Government and school section sees to the upkeep of the school. A mission such as this is seldom found in the older and more settled parts of Canada.

The Government has made us a grant of \$500.00 towards a new school, and in addition to this they give a yearly grant of \$500.00 for a teacher's salary. They feel they can do no more, for they are doing now what they would if the mission was organized into a school section. We are unable to do this for the following reasons: Much of the land, though not a reserve, belongs to the Indian Department, and on this land live non-treaty Indians. The white settlers are poor and in many cases have bought only the non-treaty Indians' right to the land. Many of my people earn their living by fishing or from their small gardens. At present they are for the most part receiving relief.

Realizing the need of a school they have in various ways saved a sum of \$500.00, so with the Government grant we have now \$1,000.00. We are anxious to build a two-room school, one that will care for the children and one that will not have to be rebuilt in a few years.

I am sorry to add this burden to the good people of our Church, and I do not want this letter to interfere with any of the great missionary projects of the Church; but I feel that in many of the homes of our people, if our need was known and felt, they would respond. Every five cent piece given to the building of this school will mean ever so much to the girls and boys here. We need \$2,000.00 to complete the building fund and any help given will be greatly appreciated.

Thanking you,

Yours sincerely,

(Rev.) A. W. STUMP.

WHITEFISH FALLS

THE Rev. A. W. Stump, in addition to his duties as priest in charge of this mission, continues his indefatigable efforts to secure a good education for the children, both white and Indian, of the village and neighbourhood. He and his wife continue to carry on the school in a spirit of self-sacrifice and under great difficulties, for the present building is quite inadequate and in bad repair, and some of the classes have to be accommodated in the basement of the church. A new school is a necessity, but alas, the money to build it is not yet in sight. We publish elsewhere a letter from Mr. Stump explaining the need and asking for assistance. We commend his appeal to the generosity of our readers.

MINDEMOYA

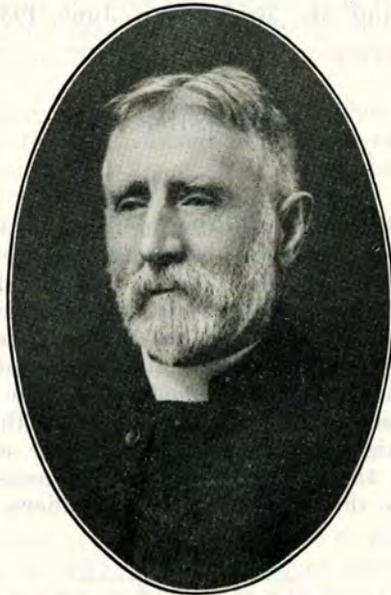

THE Rev. R. M. Taylor has returned from his visit to England, but unfortunately he has had to leave his wife and family there, as there is no place in the mission where they can live. Mindemoya is in urgent need of a parsonage, and plans are being discussed to supply this need. But parsonages cost money, and money is hard to secure in these times.

On the 17th June a daughter, Patricia Margaret, was born to Mr. and Mrs. Taylor in England. Congratulations and best wishes.

CANON PIERCY RETIRES

THE RETIREMENT of the Reverend Canon Charles Piercy of Sturgeon Falls, which took place at the end of May, brings to a close an active ministry of nearly half a century, spent entirely within the Diocese of Algoma; and contributing in a unique manner to the welfare and advancement, not only of the pastoral charges held by him, but of the Diocese as a whole. For during almost all of that long period he has been closely associated with the business of the Diocese, and his work in various official capacities has left an indelible impress upon our diocesan institutions, and has been of the utmost value.

Canon Piercy was born at Brighton, England, in 1854, the elder son of Christopher Piercy. At the age of seventeen he came

with his father to Canada and made his home in Hamilton, where he was engaged in newspaper work. He was also active in the work of the Church, and was a member of the choir of St. Thomas' Church for many years. Then came the call to the Sacred Ministry, and on the 19th August, 1888, he was ordained to the diaconate in Christ Church, Port Sydney, and in June of the following year advanced to the priesthood in Trinity Church, Parry Sound, by the late Bishop Sullivan.

He served as missionary on St. Joseph's Island for two years, then at Sudbury, where he built the first Church of the Epiphany, at Burk's Falls and at Sturgeon Falls. In 1902 he was called to take charge of the new west end mission at Sault Ste. Marie, now St. John's parish. In 1909 he returned to Sturgeon Falls, where he

has remained until the time of his retirement. He has occupied the position of Rural Dean in both Algoma and Nipissing deaneries, and in 1906 he was one of the first Honorary Canons appointed by Bishop Thorneloe on the occasion of the first Synod of the Diocese.

His official work for the Diocese, the value of which cannot be estimated, can only be briefly summarised. He was Secretary of the Standing Committee of the Diocese 1892 - 1906, Secretary of the Triennial Councils 1898 - 1906, Honorary Clerical Secretary of the Synod from 1906 to the present time, and Secretary of the Executive Committee from 1906 to 1932. He was also editor of the "Algoma Missionary News" from 1892 to 1918. These facts will show how closely he has been associated with the work of the Diocese during the greater part of its history.

The editor wishes to pay a special tribute to the work of his predecessor, who, for twenty-six years guided the fortunes of the "A. M. N." It was during this period that the magazine reached its highest point of excellence. The volumes for which Canon Piercy was responsible are a joy to read. In this work his early training in journalism stood him in good stead.

The Executive Committee at a recent meeting acknowledged Canon Piercy's services in the following resolution:

"Moved by Capt. W. A. Lyness, seconded by the Rev. Canon Johnston,— The retirement of the Reverend Canon Charles Piercy from active missionary work, which took place on the 31st May, prompts us to place on record our thankfulness to Almighty God for his long and fruitful ministry in the Diocese of Algoma, and our deep and heartfelt appreciation of his services to the Diocese as Secretary of the Standing Committee from its second meeting in 1892 to the formation of the Synod in 1906, Honorary Clerical Secretary of the Synod from that time to the present, as Secretary of the Executive Committee until 1932, and as Editor of the "Algoma Missionary News" from 1892 to 1918.

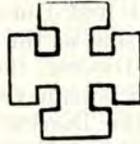

"We desire to express to him our most sincere thanks for his untiring labours on behalf of the Diocese, and the unfailing help of his ripe experience and sound judgment in matters of difficulty which have from time to time come before the Committee for consideration.

"Ordnained to the diaconate in 1888, and to the priesthood the following year, Canon Piercy has served under three Bishops; and unswerving in his loyalty to Church principles, fearless in the expression of his views, and counting no labour too great in the service of the Church, he has been a tower of strength to each in turn in the missionary and official work of the Diocese.

"In addition to his pastoral and official work, Canon Piercy has shown a splendid public spirit in the communities where he has resided; and his services to the cause of Public School education call for record and appreciation.

"We pray that God may grant him years of restful retirement after his strenuous labours for the Church of Christ, and finally an abundant reward in His eternal Kingdom."

THE W. A. MEETS AT HUNTSVILLE

THE WOMAN'S AUXILIARY of the Diocese of Algoma held its annual meeting at All Saints', Huntsville, the first week in June, under the presidency of Mrs. E. L. Allen. More than sixty delegates, from all parts of the Diocese, were present.

On the evening of Monday, June 1st, a Quiet Hour was conducted by the Rev. Fr. Palmer, S.S.J.E. The following morning there was a celebration of Holy Communion at eleven o'clock, the celebrant being the Rector of All Saints', the Rev. E. R. Nornabell. The preacher was the Rev. Canon Gould, General Secretary of the M. S. C. C. Taking as his theme Moses' view of the Promised Land from Mount Pisgah, Dr. Gould applied this to the world-wide view of the missionary work of the Church which we should have today.

After the registration of delegates, luncheon was served by the Huntsville branch of the Auxiliary, and at 2.15 p.m. the meeting convened in the parish hall. Prayers were said by the Rector, and the National Anthem was sung. An address of welcome was delivered by Mrs. W. J. Smith, President of the Huntsville Branch, which was acknowledged by Mrs. A. M. Fillman, of North Bay. Letters of greeting were received from various diocesan boards throughout the Dominion.

Mrs. W. J. Wilson, Vice-President for Muskoka Deanery, took the chair while the President, Mrs. Allen, gave her address. It was an able review of the state of the Auxiliary throughout the Diocese and of the work accomplished. The delegates stood in silence for a while in memory of those members who had been called to higher service during the past year. A standing vote of appreciation was given to Mrs. Allen for her comprehensive survey of the work.

Then followed the presentation of reports of the various officers as well as of the work in the various deaneries. The reports were generally encouraging, the Treasurer, Mrs. Cole-Bowen, reporting an increase of \$200 in the combined amount of a number of special funds. A cablegram was received conveying the greetings of the Bishop, who is spending the summer in England in the interests of the Diocese.

On Tuesday evening a public meeting was held, when Canon Gould gave a splendid address, dealing with every sphere of missionary activity in which the Auxiliary in Canada has the privilege of helping. This included work in India, China and Japan overseas, and among the Indians and Eskimo as well as among white

settlers in our own land. Dr. Gould spoke with intimate first-hand knowledge of each department of the work, for he has visited and studied them all. A collection was taken during the meeting for the rebuilding of the mission hospital at Aklavik in the Far North, recently destroyed by fire.

At the Girls' meeting on Wednesday evening, lantern slides on "The Jew and the World Ferment" were shewn, and a short musical programme enjoyed. Mrs. W. H. Leslie, of Sault Ste. Marie, Girls' Secretary for the Diocese, was honoured by being presented with a life membership in the Diocesan Board.

Mid-day prayers were said daily, conducted by the Rev. E. R. Nornabell, the Rev. E. F. Pinnington, and the Rev. J. B. Lindsell, Rural Dean of Muskoka. Luncheon was served each day in the parish hall by members of the local branch, and on the last day of the sessions the delegates enjoyed a drive to some of the beauty spots in the neighbourhood, and had afternoon tea at Port Sydney.

Various sums were voted towards appeals made by the Bishop for special objects in the Diocese, and \$25.00 towards the furnishing of the hospital at Moose Factory.

Resolutions of thanks and appreciation were tendered to Canon Gould and to the clergy who assisted, to the convenor of hospitality and her committee, to the hosts and hostesses, to the President of the Huntsville branch, and all others who had assisted in any way to ensure the success of the meeting.

It was decided to hold the meeting next year at Sault Ste. Marie, at which time the Pro-Cathedral branch will be celebrating its jubilee.

The closing address was given by the Rev. J. S. Smedley, Rector of Bracebridge, from the text, Isaiah 54: 2, "Enlarge the place of thy tent, . . . lengthen thy cords and strengthen thy stakes."

A beautiful lectern Bible, bound in red morocco, has been presented to St. Luke's Pro-Cathedral by the Ven. Archdeacon Balfour. It bears this inscription:

"To God's glory, in loving memory of my Mother, and in gratitude for my Rectorship of this St. Luke's Pro-Cathedral from 1921 to 1935. C. Wilfred Balfour, Archdeacon of Algoma."

The Bible was dedicated by the Dean on Whitsunday. It replaces one which had been in use for many years, but which lacked the Apocrypha. The new one is complete in every way, and will be much treasured for the hallowed associations it commemorates. The Dean, Wardens and people of St. Luke's are very grateful to the Archdeacon for his beautiful gift.

OUR FRIENDS IN ENGLAND

THE ANNUAL MEETING of the Algoma Association in England was held on the 14th May in the Vicarage Parish Hall, Kensington, London. The Bishop of Chichester very kindly acted as chairman, and the principal speaker was the Bishop of Algoma, who is spending the summer in the Motherland visiting various branches of the Association in the interests of the Diocese.

After speaking in lighter vein of the fame which had recently come to the Diocese through the residence therein of the world-famous quintuplets, the Bishop dealt with various parts of the work of the Church in Algoma, including the ever-expanding activities of the Cowley Fathers and the Sisters of St. Margaret, the splendid new Indian residential school built by the Dominion Government to replace the old Shingwauk Home, built and maintained for so many years largely by the Church, and the Sunday School by Post. He dealt at length with the financial problems confronting the Diocese, which are causing so much anxiety in these difficult years, and expressed heartfelt thanks to the Association for its generous support, to the S. P. G. and S. P. C. K. for their continued assistance, and to the Overseas Association of the Church Union and the League of Help for their ever-welcome gifts for the furnishing of churches.

Feeling reference was made to the death of Miss Evelyn Chappel, Central Secretary of the Association, whose loss is so deeply felt; and the Executive Committee's appointment of the Rev. D. D. Macqueen, Rector of Brimington, near Chesterfield, as her successor in this important office, was confirmed. Mr. Macqueen knows Algoma, having served for some years as Rector of Schreiber; and this first-hand knowledge will be of great value to him in carrying on his work, in which we wish him the fullest measure of success.

A GENEROUS GIFT

MR. LAWRENCE BLADEN SMITH, of Ivy House, Gressenhall, East Dereham, Norfolk, a former resident of Uffington, has remembered her old home and Church in a very generous way, by giving to the Synod a deed of the Valley Farm, Uffington, containing 300 acres, together with an endowment of \$1000.00, for the benefit of St. Paul's Church in that village. This gift has been very gratefully acknowledged by the Executive Committee, which will hold and administer the endowment in trust for the Church in Uffington.

The Rev. G. K. Lowe, L. Th., of Murillo, has been appointed Rector of the Cathedral at Port Stanley in the Falkland Islands, and will leave Algoma about the middle of August. We shall miss him from our clerical staff, and wish him every success and happiness in his new work in the far South.

ALL SAINTS', GORE BAY
PRESENTATION TO MRS. CASSON

MRS. ADAM CASSON, Sr., was very pleasantly surprised on Monday evening, May 18th, when, at the regular monthly meeting of the Woman's Auxiliary of All Saints' Church, she was presented with a silver plate as a token of appreciation of her twenty-five years of continuous service as Treasurer of the Gore Bay branch of the W. A. This was accompanied by the following address, signed on behalf of the branch.

"Dear Mrs. Casson:

"We, the members of the W. A. ask you to accept this slight token of our love and esteem, and in recognition of your twenty-five years of service as Treasurer of the W. A.

"Throughout all these years you have always been ready and willing to give unstintingly of your time and talent in the promotion of the welfare of this part of the Church's work in particular. The struggle has not always been an easy one, as we are a small group of workers; but your unflinching devotion has been an inspiration to all of us, and our earnest hope is that you may continue in your office as Treasurer for many years to come."

People are sometimes slow in realizing what it means to give long, faithful and continuous service to a cause. From day to day these things seem but trifles, but over a period of continuous service such as Mrs. Casson has given to the Anglican Church in Gore Bay, she contributes so much to the cause in her quiet way that few fully realize that a great service is being rendered. All Saints' Church owes Mrs. Casson a great debt of gratitude, not only for her services to the Auxiliary, but also for the work she has done in the Sunday School, with which she has been connected since she was a girl, and of which she has been Secretary-Treasurer for nearly twenty years. Even in most trying circumstances and discouraging conditions, when others were ready to give up, Mrs. Casson stuck to her work faithfully, and kept the spark of life in these two organizations in particular. Indeed it is not only the Anglican Church that is indebted to her, but the whole community of Gore Bay, where she has resided for the past sixty years, and where she has taken part in all community welfare work, and has cheerfully done her part.

— Gore Bay Recorder.

In Canterbury Cathedral, the mother church of English Christianity, it is the custom each day to offer special prayer at the Holy Eucharist for some particular diocese of the Anglican Communion. Intercessions will be offered for the Diocese of Algoma on Tuesday, the 25th August. It would be fitting if on that day we in Algoma should remember in our prayers His Grace the Archbishop of Canterbury, asking God's blessing upon him in the fulfilment of the many duties devolving upon him in his high and responsible office.

IN MEMORIAM — CHARLOTTE WIEGAND

ONE of Fort William's oldest residents, and a member of the oldest families in connection with the Parish of St. Luke, Miss Charlotte Wiegand passed peacefully to her rest on Sunday, the 7th June. The funeral service was held at the church the following Wednesday.

Miss Wiegand was born at Fort Albany, James Bay, in May, 1869. In September the family moved to Fort William, travelling by canoe and "side-wheeler" steamer. At that time Port Arthur, (or Prince Arthur's Landing as it very soon came to be known), consisted of three log cabins. Remaining a short time in the Hudson's Bay fort, the family later settled on the banks of the Neebing River, a section which perpetuates the family name, being known as Wiegandsville.

Miss Wiegand was a member of the first class of candidates presented for Confirmation from Fort William mission, being confirmed by Bishop Sullivan in the Presbyterian Church building in the year 1888. For some time, during the early life of the parish, she was one of the leaders in work amongst the girls. While she has not been an active worker for some time, her interest in the parish was retained to the last. May God grant her Refreshment, Light and Peace in Paradise.

To her brother, Mr. Robert Wiegand, we extend our sincere sympathy.

ST. JAMES' CHURCH, GRAVENHURST

IN THE PARISH HALL of St. James' Church, Gravenhurst, on May 27th, a large number of parishioners gathered to bid farewell to the Rev. Cyril and Mrs. Goodier upon their departure for Sturgeon Falls.

After a short musical programme and social hour, Mr. McComb, People's Warden, read an address, voicing the appreciation of the congregation of the work of Mr. and Mrs. Goodier, and the regret felt at their leaving. A purse was then presented to Mr. Goodier and flowers to his wife. Mr. Goodier thanked his many friends for their useful gift, and spoke feelingly of kindnesses received while in Gravenhurst.

During five years as Rector of St. James' Church, Mr. Goodier by his sincere nature and kindly disposition has won many friends besides those of his own Church. The reverence and spiritual tone of the services has been appreciated by those privileged to attend. Both Mr. and Mrs. Goodier were very zealous in their work for the sick, and among the poor and needy.

In his farewell, Mr. Goodier asked for his successor, the Rev. E. F. Pinnington, the earnest co-operation of the congregation.

Dainty refreshments were served by the ladies, and all joined in singing "Auld Lang Syne."

START — BUTCHER

AN EVENT of particular interest to us in Algoma was the marriage of Miss Alice Kathleen Butcher, Superintendent of Nurses in the New Life Sanatorium, Obuse, Mid-Japan, to Dr. R. K. Start, the Medical Superintendent of that institution. The marriage took place at St. Edmund's Church, Toronto, on the 8th May; the Right Rev. H. J. Hamilton, formerly Bishop in Mid-Japan officiating. Dr. and Mrs. Start will return to Japan at the close of their furlough in January.

Our especial interest in this wedding is due to the fact that Mrs. Start's early home was in Port Sydney in Muskoka. We wish them both long life and much happiness, and ever-increasing success in the great work they are doing for our Lord and His Church in Japan.

Our sincere thanks are due to Archdeacon Burt who, in response to our request for photographs of various diocesan Synods, has sent us five, which fill in most of the gaps in our collection. We still lack photos of the Synods of 1917 and 1926. Can any reader make our set complete?

We do not know if photos were taken of all the Triennial Councils which preceded formation of the Synod. If they were we are without those of the first (1887), the fourth (1895), the fifth (1898) and the seventh (1904).

St. Paul's Church, Fort William, is the recipient of a very beautiful fair linen altar cloth and credence cloth, the gift of Mrs. Armin Jamal of Jerusalem, in memory of her mother, the late Mrs. Sarah Jane Sellers. These are of fine Irish linen, adorned with exquisite needlepoint lace made by Christian girls in Jerusalem. The design includes the Bethlehem Rose and the Jerusalem Cross besides other emblems. These beautiful gifts will be used chiefly on the great festivals.
