A THRIVING MISSION

A new chapter began in the life of the congregation of St. James' Church, Lockerby, on Sunday, October 15th, at 3 p.m. At that time the Rt. Rev. Wm. L. Wright, D.D., Bishop of the Diocese of Algoma, laid the cornerstone for St. James' Church, 559 Longlake Road. The opening service was held in the basement auditorium at the same time, with the Bishop as the special preacher.

The Bishop paid tribute to the work which had been done in the four and one-half months which had passed since he had turned the first

sod on May 28th. The basement of the church is complete now and is being used for services when the chancel furniture is in place. This furniture is removed and stored when the auditorium is needed for mid-week activities. It is planned to continue with these arrangements until sufficient money is raised to finish the church proper. The building committee has been wise in erecting the bare superstructure of the church proper with building paper on the outside walls to protect the wood until stucco may be

THE BISHOP'S LETTER

"Bishophurst,"

Sault Ste. Marie, Ontario,
20th September, 1950.

My dear People:

No doubt your copy of the "Algoma Missionary News" will reach you about the first week in November. Two important events in our Church life will mark this month: (1) The meeting of the House of Bishops and the Executive Council at the Church House, 604 Jarvis Street, Toronto, November 18th-24th; (2) the Every Member Visitation and Canvass which will be held during the month and which will be observed by all of the Dioceses in Canada.

(1) We in Algoma were disappointed that we were unable to entertain the House of Bishops and the Executive Council during the first week in September. Due to the rail strike the meetings had to be postponed. Our Hospitality Committee in the See city had gone to considerable trouble making preparations for our guests. It so happened that the weather during that week was ideal. Plans had been formulated in every detail for the comfort of our visitors. Private hospitality had been set up; arrangements made for a Laymen's Banquet and plans finalized for the Service of Witness in St. Luke's Pro-Cathedral. However, we look forward to a representative attendance at our meetings in Toronto. At that time important items concerning the welfare of the Church will be listed on the agenda of the House of Bishops and the Executive Council will come to grips with the Missionary, Educational and Social

functions of the Church. At least seven new Bishops will be in attendance. Someone has designated the new Bishops as "the class of 1950." Other Episcopal changes are also pending. We welcome into our fellowship Bishops Steer (Saskatoon), Norris (Brandon), Coleman (Qu'Appelle), Pierce (Athabasca), Marsh (Arctic), Bagnall (Niagara).

(2) The Dominion Every Member Visitation and Canvass demands the personal dedication and interest of every clergyman and layman of our Diocese. This movement will be the means of quickening our Church life, not only throughout Canada, but in each Diocese, Deanery and parish. I have appointed the Rev. J. S. Ditchburn, Bala, as the Chairman of this Committee for Algoma. Rural Dean W. B. Jennings, Fort William, Chief I. L. Robertson and F. S. Dent, Sault Ste. Marie, are actively associated with the Chairman in encouraging all the parishes and missions to take some active part in this programme. Of course, the literature sent out by Dominion headquarters may be adapted to the local parochial situation, but I call upon **all** our clergy and **all** our parishes to take an active part in the visitation. At this time the exact date in November has not been set but this information will be forthcoming in the near future. The purpose of the Every Member Visitation is to inform every member and friend of the Church of the needs of the home parish and of the work and needs of the whole Church and to enlist their regular weekly support, both of the home parish and of undertaking Missionary, Educa-

tional and Social work for which our Church accepts responsibility. Parochial meetings will be called by the rector to plan your parish campaign. Please read carefully the literature that is placed in your hands and be ready to play your part in this important spiritual adventure.

On St. Luke's Day, October 18th, I Ordain to the Diaconate in St. Luke's Pro-Cathedral, Sault Ste. Marie, Leon Bryan, formerly a member of the Dutch Reformed Church. Mr. Bryan comes highly recommended to us and has distinguished himself academically both in Holland and the United States. His desire for fuller sacramental life of our Church and willingness to share in the Missionary call, fits him admirably in his new vocation. We welcome him to our Diocesan fellowship.

Many of our Divinity students are returning to college and a number of others are entering University and will eventually proceed to Divinity. Some of the new students entering college are: Fred Roberts (St. Paul's, Fort William) to Trinity College, Toronto; Kenneth Towseley (St. Paul's, Fort William) to University of Saskatchewan; Nelson Adair (Church of the Epiphany, Sudbury) to Bishop's College, Lennoxville; Richard Hooley (Church of the Epiphany, Sudbury) to Trinity College, Toronto; Stephen Coombs (St. Luke's Pro-Cathedral, Sault Ste. Marie) to Trinity College, Toronto. Some other students who are attending include: Messrs. Reginald Inshaw, James Jackson, William Peeling, John Jordan, Lawrence Robertson, Kells Minchin, Douglas Fuller.

We wish all of these graduates and undergraduates every success

this coming year.

Three new churches are in the process of erection: St. Paul's, Jamestown (100 miles north of Sault Ste. Marie). Douglas Fuller of Huron College has done excellent work in this mission for the past two years. The Rev. George Sutherland, the assistant at St. Luke's Pro-Cathedral and the Rev. L. E. C. Frith, S.S.J.E., have kindly consented to carry on during the winter at Jamestown. The laying of the cornerstone of the new church at Lockerby will be an accomplished fact by the time you receive your "Missionary News." The Rev. George Doolan and his associates are to be congratulated on the progress made in this area. A new church is also being erected at South Bay Mouth, Manitoulin Island. The Rev. C. J. Passey is the incumbent.

We welcome Mrs. A. S. Dewdney, our new teacher at Spanish River Indian School. She has had considerable experience in Indian work and I know will be most happy. A number of changes have taken place on the staff of the Shingwauk Indian Residential School and we welcome to Algoma all the new members.

With the inspiration of our Diocesan Synod encouraging us we look forward to a happy and profitable year in the Master's service. Let us be faithful in worship, in the right observance of Sunday and in consistent witness by our lives and actions of the fundamentals of our Christian faith. Thus in the midst of a disordered world we shall go forward with the divine approbation and assurance that the Church of God must march forward triumphantly.

Your friend and Bishop,
WILLIAM L. ALGOMA

100,000 NEW MEMBERS

NEW, ENTHUSIASTIC CHURCH MEMBERS. How many of them will be in your Diocese? . . . in your parish? Now is the time to strengthen the Church through the Every Member Canvass and Visitation, November, 1950.

The Church needs new, enthusiastic members who will share wholeheartedly in its work, its prayer-life and in the financial responsibility for its programme of religious education, social service and the spreading of the Gospel at home and overseas.

The Church needs also old members with a new vision of their privilege and responsibility as members of Christ's Church militant.

This Every Member Canvass was authorized by the General Synod in September, 1949, to meet a situation in the Church which required emergency treatment.

Regarding the Church's work for 1951, here is the emergency —

By everyone working together, this Every Member Canvass campaign can meet this emergency! Make it the dawn of a new day for the Anglican Church throughout our Dominion.

What does Church mean to you?

Are you doing your share to send Christ's life-giving message into all today's needy areas of life?

You can help by prayer, as well as by your pledged gifts.

PRIMATE'S APPEAL

The Primate has sponsored an appeal for donations to assist in the restoration of the New Life Sanatorium in Japan, which was destroyed by fire on April 25th. Contributions towards this worthy appeal may be sent through your own parish.

DOMINION VISITATION

Once again the Church of England in Canada is moving as a unit. This time the object is to strengthen the fellowship of every parish in the Dominion. During the month of November every mission and parish, supported by publicity and organization suggestions issued from headquarters in Toronto, will be encouraged by Diocesan committees which are now working out plans.

In the Diocese of Algoma we receive a Missionary grant of over \$14,000 a year from outside the Diocese. We desire to strive towards

self-support and we are anxious to open up new work within Algoma. In order to accomplish all of this it is imperative that every member will do his share to strengthen the worship and work of the Church. Parochial meetings will be called by your rector to plan your parish visitation. Be sure to attend these parish meetings in order to become acquainted with the overall picture. Please read carefully the parochial and diocesan letters. Let us go forward in faith and hope. Algoma has always done her part in the past. We must not fail this time.

ST. PAUL'S - WAWA

On Sunday, August 27th, the Very Rev. J. H. Craig, Dean of Algoma, after a ride on a freight train from Sault Ste. Marie to Hawk Junction, was met and driven over the famous Hawk Road to Wawa. In the early daylight hours the Dean saw the community and at eight o'clock went to the Helen Mine cookery and, with the miners off shift, had breakfast.

At 10:30 a.m. in the basement of the Sir James Dunn School, shortened Morning Prayer was said by the summer student and the Dean preached a short but very impressive sermon. He impressed upon the people the great heritage that we of the Anglican Church have. He also informed them that they had undertaken a great work and a hard task, but that he and many others

were confident that success would be with the newly formed mission.

The service completed, the Dean and the student in robes, followed by the churchwardens and other officials of the new mission and a large congregation, led a procession to the new church site. Reaching the site the Dean conducted a service of prayer and the lesson was read by the student.

Then the great moment arrived. The Dean took the shovel and saying, "In the Name of Jesus Christ. We turn this sod in the Name of the Father, the Son and the Holy Ghost. Here let true faith, the fear of God and brotherly love ever remain. The church to be erected in this place will be set apart for prayer, for worship and for the praise of the Most Holy Name of our Lord Jesus

Christ; who ever liveth with the Father and the Holy Spirit, one God world without end. Amen." This moment long waited for, came and many rejoiced that the area would be blessed with the presence of our beloved Church of England.

Perambulation was then made around the place and at the four corners of the church proper four crosses were planted by the churchwardens, Mr. Ken Cockburn and Mr. M. A. Tweedale, Sidesman Mr. Bill Frayn and the Vice-President of the W.A. Mrs. Fred Bond. As the crosses were being planted the Dean led the whole congregation around the site reading aloud Hymn No. 466, "We love the place, O God." Returning to the east entrance the Dean dismissed the congregation with prayer and the Benediction.

The Dean was then entertained by the wardens and shown about the area surrounding the town.

Monday morning the Dean was taken through the open pit operations at Helen Mine by Mr. Carl Beck, Mine Manager and through the sink-float operations by Mr. George Crocker. A company car took the Dean to the Sintering Plant

CHOIR CAMP 1950

The Cooks and I left Copper Cliff by car, after seeing that plenty of good things to eat had been sent on their way to Whitefish Falls. We left shortly after the train carrying boys and "grub." At Nairn Centre station we passed the train and knew that we would be enough ahead to have things ready when the "gang arrived.

We arrived at the school shortly

where he was shown through the operations by Mr. Cockburn who is Assistant Plant Manager.

Completing this, the Dean with the student visited the sick of the parish and the Medical Centre.

After lunch the Dean returned to Sault Ste. Marie in the company plane.

The people of Wawa greatly rejoiced and were very happy to have had the Dean with them and they expressed the hope that he would return and visit them in the not-too-distant future.

On the 29th a bulldozer pushed the basement out and on the 5th the footing was poured. When the student left Wawa on the 12th of September the basement forms were in place and as soon as the cement arrives the walls will be poured.

The mission has been granted a name by the Lord Bishop and the name of the mission and church is St. Paul's Church, Wawa.

Mr. Ken Cockburn, Rector's Warden, has taken charge of supervising the work which has been let out to Langdon and Samson, Contractors, Sault Ste. Marie, Ontario.

before twelve o'clock and were welcomed by Father Stump, who had everything in readiness for us. We went to the local emporium to arrange for cartage of our food supply from the station and also to arrange for delivery of fresh milk daily.

Scarcely had we returned before the boys had arrived and no lunch ready; however, mothers had provided generous lunches for the train,

many not yet consumed, so a snack was soon ready and the boys then trooped off to their quarters to make up bunks and tuck away their luggage.

Team captains were chosen and a custodian of pocket money, the latter being Bob Phillips and the team captains George Lamacraft and Arthur Wilkie. The teams were as follows:

George Lamacraft — Bob Phillips, Fred Thompson, Bruce Lepper, Dale Young, John Corless, Alex Godfrey, George Sleaver. This group dubbed themselves the "Spitballs."

Arthur Wilkie — Norman Crawford, Ted Lumley, Frank Bennett, Stanley Rogers, Bob O'Hara, Colin Clark, Brian Bennett. This group took the name of "Bedbugs."

For the most part the weather was extremely warm, so as soon as things were organized, all boys adjourned to the river. Swimming from then on was the chief recreation and three times a day a period was set aside for a cooling dip — or should I say plunge.

Monday evening there was a game of volleyball and on other evenings games of baseball between Camp groups.

Thursday evening was hike night and all members of the camp joined in a hike to the base of the fire tower.

Wednesday all enjoyed a trip in the "Kyak" down river and out among the islands of the bay, thanks to the kindness of Mr. Spry.

Some of the boys also tried their hand at fishing, with rather indifferent success, for only a few small servings were available for Friday's dinner, most of the boys having to be content with scrambled eggs.

With the exception of Monday, schedule of meals was: breakfast — 8:30 a.m.; dinner — 12 noon and supper — 5 p.m. with a light snack at bedtime. Meals were substantial and varied, second helpings were in order and no dessert if plates were not cleaned, all food eaten.

The most important part of all the Camp programme was that taken up by the various services in the Church. Each day at 8 a.m. there was Holy Eucharist, celebrated on Tuesday, Wednesday and Friday by Father Stump and on Thursday by our own Padre, Father Thompson. At 9:30 a.m. Mattins and at 9 p.m. Evensong. Immediately after Mattins each day there was a short practice, at which we practiced the Responses for Mattins, some hymns and descants. A new venture for St. John's choir was the organizing of an alto section, from some of the older boys.

Bedtime immediately followed Evensong and when all were snugly tucked under the blankets Fr. Stump arrived to tell bedtime stories, or in other words "ghost stories." On at least one occasion these stories were so realistic that when our Padre attempted to retire he found the door locked and the boys all huddled together.

One highlight of the Camp was the donation of a Silver Cup, for the best all round boy Camper. This was donated by Fr. and Mrs. Stump, to be competed for each year until won by the same boy two years. It is to be known as the St. Augustine's Cup and will be so engraved and winners' names added each year. It was won this year by Arthur Wilkie and was presented to him by Fr. Stump on the last day of camp.

Camp was not all pleasure by any means, for besides attending practices, the boys had routine duties to attend to. Teams alternated at washing dishes, tidying dining room and re-setting tables. The Bunk house had to be kept ship shape and beds properly made and before breaking camp all buildings and the grounds surrounding them tidied and left as we found them. Many small errands were done for the ladies, not the least being to bring ice from across the river.

Taking everything into consideration, it was a very fine camp, everyone did his bit and everyone voted it to be the "Best Camp Ever!" A

vote of thanks was given Fr. Stump for his stories and the Cooks for good eats, then came the hike back to the station.

After the boys left it took only a short time to finish putting things in order in the kitchen, a quick trip to the vicarage to thank Fr. and Mrs. Stump for all their kindness then we climbed into the car and we too, were on our way home.

Camp Staff: Director, the Rev. Gilbert Thompson; Organist, Mrs. A. J. Flowers; Cook, Mrs. Lloyd Sleaver; Ass't Cook, Mrs. J. Gennings.

Honorary Members: the Rev. R. W. Stump, Mrs. Stump.

SOUTH BAY MOUTH

MANITOULIN ISLAND

On Wednesday, July 5th, at a special service, the corner stone of the new mission church was laid by the Right Rev. W. L. Wright, Lord Bishop of the Diocese. Assisting the Bishop were: the Very Rev. J. H. Craig of St. Luke's Pro-Cathedral, Sault Ste Marie, Dean of Algoma, the Rev. Canon R. Haines of Little Current, the Rev. E. Richards of Gore Bay and the Rev. E. J. Passey, Incumbent of St. Paul's, Manitowaning and district mission churches.

There was a large gathering of residents and other visitors from all over the Island.

The Rev. C. J. Passey, incumbent, took the first part of the service. The Bishop, after blessing the corner stone, placed it in position.

In his address the Bishop congratulated the incumbent and the people of South Bay Mouth for their

venture in building a Christian church in South Bay Mouth. He wished them God's blessing upon their enterprise and every success and happiness in their joy of worship in the future.

He would be looking forward, added the Bishop, to be with them and to join with them in worship of Almighty God in their new church. He hoped and prayed that under the enthusiastic leadership of their incumbent, their Christian life would be strengthened in every way.

Dean Craig then read the closing prayers. Afterward the Bishop closed the service with his blessing. A very generous offering was taken.

The new church will be of frame construction on concrete blocks foundation, built upon a rock — literally hewn out of the bush which surrounds the site on the highway, half a mile north of South Bay

Mouth water front. It will be of cruciform style with overall dimensions of 40 feet by 30 feet. A rounded belfry dome will surmount the Corinthian style of entrance. It will be finished in grey insulbric siding. The interior will be of a rounded style of ceiling and chancel, paneled throughout with cedar panels to match. It will be heated by an oil burner. There will be two vestries on either side of the chancel. A half-moon shape drive in front of the

OPEN AIR SERVICE

Sunday, August 14th, marked the third annual open air service at the Garden River Reserve, sponsored by the Algoma Deanery Laymen's Association.

The first service of this type was held on St. Joseph's Island and proved to be a successful innovation.

The service was read by the Rev. R. B. Wright. The sermon was given by Bishop W. L. Wright. Dean J. H. Craig conducted.

A choir of Reserve Indians sang two hymns in their native Ojibway. A solo was given by Mrs. Walter McKibbin, "Consider the lilies." Also noticed among the congregation was a sprinkling of American tourists.

The offering totalled \$105 Canon F. W. Colloton said. Canon Colloton commented that he was highly pleased with the service and fully expects that next year will bring a recurrence of the open air service at Pine Grove, Garden River.

The offering will be used to train young men for the Ministry.

After the service a very hoppy social gathering was held in the home of Mr. and Mrs. Gilbert Britten. An excellent tea was provided at which the Bishop and clergy met many friends. The weather was perfect and those present for the occasion enjoyed the evening.

Wednesday, July 26th, on the lovely grounds at the home of Mr. and Mrs. Herb. Denny, Woodington.

The Right Rev. W. L. Wright, D.D., Bishop of Algoma, opened the Bazaar with a timely message. He spoke encouraging words to the W.A. members and congratulated all on the new parish hall. Mrs. Ed. Hall, our president, was on hand to greet the Bishop.

The bake table was well filled with delicious home baking and candy and was presided over by Mrs. Herb. Denny and Mrs. G. Crowder.

A table of knitted garments was presided over by Mrs. J. Young and Miss Davida Ames.

The dry goods and flower table was attended by Mrs. A. Ames, Mrs. H. Cook and Mrs. C. Ames.

The small tea tables were artistically arranged on the lawn and were served by Katharine Ames, Dona and Carol Curphy, Catharine Woods, Wilma Ames and Margaret Ann Ames.

A good job was done in the kitchen by Mrs. Frank Ames, Mrs. Ed. Egli, Miss Dottie Croucher, Mrs. W. Orr, Mrs. A. Woods and Mrs. Victor Croucher.

The proceeds amounted to over \$386.00.

THE PRIMATE'S FUND

The main building of the New Life Sanatorium, Obuse, Japan, was destroyed by fire on April 25th last. The purpose of the Primate's Fund which opens on Sunday, September 10th, is to raise an additional \$30,000 to make possible the replacement of this building.

This Sanatorium for tubercular patients, of 100 bed capacity, opened in 1932 under the direction of Dr. R. K. Start of Windsor, Ontario, was the heart of the Canadian Anglican missionary activities in Japan and was considered a model hospital. Its influence was extending ever more widely throughout medical circles, as a steady flow of doctors and nurses came from other hospitals for observation of the up-to-date methods used in the treatment of

t.b. cases. Its immediate replacement is of unqualified importance to the progress of the Church.

Insurance and gifts showing the deep appreciation of individual Japanese people and organizations have made possible the beginning of the rebuilding of this health centre. Canada has been asked for \$30,000 to make complete restoration possible.

As your Primate I commend this to your generosity. Please send your gifts to: Mr. F. Moody, Treasurer, 604 Jarvis Street, Toronto 5, Ont.

EMSDALE MISSION

On July 27th, our Bishop, Right Rev. W. L. Wright, visited our missions. At 10 a.m. at St. Mark's, Emsdale, he baptized Ruth, the daughter of the Rev. A. Haldenby. At 10:30 there was a Confirmation service at St. Mary's, Novar, followed by Holy Communion. Two adults and seven young people were confirmed. The Bishop took as his text 2 Peter 3:18. Novar W.A. entertained the Bishop and Confirmation candidates at a luncheon at the home of Mrs. Cowden. With Archdeacon Lindsell of Gravenhurst the Bishop and the minister visited Ilfracombe. The laymen of St. Paul's, Spruce-dale, entertained the party at dinner. At 8:00 p.m. there was a

Confirmation service at St. Mark's, Emsdale. Four adults and nine young people were confirmed. After the service a reception was held at the parsonage. The Bishop was sorry he could not visit all the churches in this area. It would be an impossible task for one day. He was very pleased, however, with the work he did see.

IN MEMORIAM

Word has been received of the passing, on the 25th September, of the Rev. Frederick William Clayton, D.D., Vicar of a church in Millwaukie, a suburb of Portland, Oregon.

Dr. Clayton was born in England in 1885 and educated at St. Augustine's College, Canterbury. He was ordained deacon in December, 1914 and priest in July, 1916, by Archbishop Thorneloe. After serving as locum tenens in various places—MacTier, Blind River, St. Thomas', Fort William and Englehart—he

was appointed to the Mission of Sundridge where he served 1916-7 and Gravenhurst 1917-8. He was then transferred to the Diocese of Toronto.

In the United States he served at Princess Anne, Maryland—an old colonial church—then for twenty years as rector of All Saints', Omaha, Nebraska, leaving there in 1947 for Oregon.

Funeral services were held in All Saints' Church, Omaha and interment took place in that city.

A. Y. CONFERENCE

The 19th annual Provincial Conference of the Anglican Young People's Association of the province of Ontario was held last week at St. John's Anglican Church, North Bay.

The conference opened Thursday night with a youth rally service at the North Bay church. The Rev. W. W. Jarvis, rector of St. John's Church, was assisted during the service by the provincial chaplain of the A.Y.P.A., the Rev. L. R. A. Sutherland of Capreol.

The Right Rev. W. L. Wright, D.D., of Sault Ste. Marie, Bishop of Algoma, was preacher for the service. He followed the conference theme, "My Father's Business."

"Our Father's business, which all young people should be about, is the worship of God, a strong conviction of Christian ideals as opposed to atheistic communism and service to Christ and His Church," the Bishop said.

Sessions of the conference continued Friday and Saturday. Discussions were held on all phases of youth work and the various problems facing young people of the world today.

Saturday night marked the official closing of the conference with a banquet in the Empire Hotel, followed by a dance in the parish hall of the church. Guest speaker at the banquet was Mayor I. Ginsberg of Huntsville.

A THRIVING MISSION (Cont'd)

applied. The inside of the church will be finished completely by volunteer labour as soon as the money and material are available. It is hoped this may be within a year or two.

Too much credit cannot be given to the work of the building committee under the chairmanship of Mr. Wm. Currie, People's Warden. Mr. Currie has been assisted by Mr. Pryce Moorhouse, Rector's Warden and Mr. Herbert Shoveller, Sidesman. The amount of time and energy contributed by these three men to make St. James' building a reality cannot be estimated. Volunteer assistance has also been given by many other men and a few women, but space does not permit us to name them all.

Besides the Bishop, who was assisted by the Rev. J. G. M. Doolan, B.A., Incumbent in charge of St. James', Lockerby and St. George's, Minnow Lake, a number of visiting clergy were in attendance at the opening service. These included the Rev. Principal Ramsay Armitage, M.A., D.D., of Wycliffe College, Toronto, who was the special preacher at the service of thanksgiving at 7 o'clock in the evening; the Rev. W. W. Jarvis, Rural Dean of Nipissing Deanery and Rector of St. John's Church, North Bay, who set the cornerstone in place; the Rev. F. F. Nock, B.A., B.D., Rector of the Church of the Epiphany, Sudbury and President of the Sudbury and District Ministerial Association; the Rev. G. Thompson, B.A., L.Th., of St. John's Church, Copper Cliff and the Rev. A. L. Chabot of All Saints' Church, Coniston.

Over two hundred people from Sudbury and district were present at the service in the auditorium and to see the cornerstone laid by the Bishop. After the service a short reception was held, tea being served by the members of St. James' Woman's Auxiliary.

OCTOBER, 1950

ST. JAMES' CHURCH, LOCKERBY, O.

80th ANNIVERSARY

The 80th anniversary of the building of St. Luke's, Sault Ste. Marie, was commemorated Wednesday evening, October 18th, in the church. The original edifice was erected in 1870 and added to in 1896.

Members of the congregation gathered in the Pro-Cathedral on that day, which was St. Luke's Day, for this annual patronal festival.

A service of thanksgiving was held in which the pioneer members of the congregation were especially remembered. The lesson was read by the Rev. Leon P. Bruijn, who had been ordained deacon that morning. Mr. Bruijn, who was born and bred in Holland, served with distinction in the Dutch underground forces during the Second World War and was given special citation by Allied

leaders for his courage and resourcefulness.

In the hall afterwards the congregation gathered for a social function. The hall was beautifully decorated for the occasion with autumn flowers and a mammoth birthday cake bearing 80 candles centred the head table.

The Very Rev. J. H. Craig, Dean of Algoma, welcomed the Lord Bishop of Algoma, the Right Rev. W. L. Wright, on his annual visit to St. Luke's. The Bishop gave an informal talk on his work in the Diocese which he illustrated by coloured lantern slides.

St. Luke's choir presented two numbers, "Round Me Falls the Night" and "Dutch Hymn of Thanksgiving," under the direction of the Rev. G. Sutherland.
