Dear Father Comeau:

The June Quarterly Return for the McIntosh Indian Residential School has been received and noted.

On checking this return, it is noted that pupils # 180 and 194, were shown to be in residence for less than the prescribed number of days allowed for the quarter. You have shown the reason for the discrepancy but failed to show the dates involved.

The Auditors and the Treasury Branch insist that where pupils are in residence for less than the prescribed number of days, the reason and the dates of absence should be shown in the remarks column.

Would you kindly supply the information for these two cases and keep them in mind when completing future returns.

Yours sincerely,

Bernard P. Neary,
Supt. of Indian Education.
