

St. Charles Garnier Residential School -

Editorial

Peter Johnston \*\*\*\* President the Sodality and Student Council

To return to good old Garnier for another year and to partake in the various school activities which have been so well organized by Father Maurice is indeed a very great pleasure for us. Once again the familiar laughter of Garnier students echoes down the corridors of our Alma Mater.

Our Garnier is a well organized school. Everything rotates around our Sodality with its five committees - Our Lady's, Publicity, Social, Athletic and Dramatic. These committees will, we hope, function with the reliability of our new Ranch Wagon. The purpose of these committees is to give the students every opportunity to plan and carry out on their own initiative and ability the many activities of the school program. Already, a Smoker Club has been organized on a full scale membership plan, membership cards and fees. The Club has purchased an electric clock, a twelve-record nickelodeon for seventy-five dollars

or which they have paid fifty dollars. The boys have also bought several records for the nickelodeon. These, we trust, will be only a beginning. We have plans to continue improvements on the smoker in pace with the income from fees and the nickeodeon. These beginnings reveal the ever progressing work being carried on in one direction by the committees. Plans for a grand scale Christmas concert are a leading topic with the dramatic committee. Our Lady's Committee is working on a new prayer book with appropriate prayers for the boys and girls, has a project in hand in the further beautification of the shrine to our Lady, and will make further additions to our Outdoor Life-size Christmas Crib. Our Athletic and Social Committees are kept occupied with their own busy departments. The boys of these ions to - The Editor committees ask:" Won't you, present and past students of Garnier, cooperate in improving our everday activities? How? By interest, support and participation in those activities.

Did the title of this news sheet strike you? It was meant to. It means something. This is not the Garnier Star. It is the "Garnier · Stardust". Its purpose? Well, it is something of a new venture or experiment. The first issue, because it has taken time for the boys to organize into a functioning publicity committee, will, in content, be very much like the Garnier Star, but it is in a new format or set-up. After this issue, which will also be quite lengthy, the boys hope to publish the news sheet "The Garnier Stardust" every two weeks to keep its readers more abreast of happenings as they happen. "The Garnier Star" will be published three times a year, at Christmas, Easter and in June, more as a picture summary of what you will read in "The Garnier Stardust".

We hope you like this idea of keeping you in touch with our doings. And so, we call on all of you, gradsstudents, and friends of Garnier to let us know what you think. Your criticisms, comments and suggestions will be welcome. Your support, too, will be very much appreciated. The subscription for this timely way of writing to you of our doings, of keeping in touch with you will remain \ at the former rate of One Dollar a year. Please address all communicat-

## SCHOOL SONG \* \* \*

We're all in the fight for the

Black, White, Red; For the Black, White, Red mean Victory.

Let's all give a cheer for Garnier so dear,

For the school that has ever been all to me.

You can see our smoke signals lighting,

As we go on the warpath fighting: Ley Let's all sing and shout for the braves who are out-

om. For the braves who are out for Victory:

We'll all do or die for GARNIER'S our cry,

For GARNIER, we'll roll on to Victory.

From our Wigwams we'll come racing And our enemies we'll go chasing. af WE're all in the fight for the

high school, we have room to provide facilities for education as day scholars for the village boys who have not the opportunity to attend high school. We hope they will be as much a part of Garnier as have other village boys, one of whom, Tim McGrath, is teaching Grades 5 and 6.

Most of you readers will meet the boys only through the pages of our"Garnier Star". We 'll try to give you a good picture of them in every line. We would like you to meet them in the classroom, on the field, at their dances and socials, on their walks, on the ice surface, from morning to night, in their joys and sorrows, tears and laughter. We know you would like them. And so, we want to keep you in touch with them, to activate your interest, and enlist your support for a Garnier that will always grow, especially, you, our

PRESENTATION OF THE TOM. LONGBOST MEDAL TO BILL KINOSHAMEG \* \* \* \* \* Peter Johnston - Reporter.

and distinguished Tom Longbout "edal was presented to one of last year's proud graduates, Bill Kinoshameg, in the Garnier Arena on the afternoon of October 28th, 1954.

This medal is awarded in every province, two in Ontario, to the outstanding student we has surpassed all others in both academic and athletic activities. All at Garnier knew Bill as a very capable scholar, a leader in every field. One proof of this, besides his all round popularity and proficiency, lies in the fact that Bill made with his own initiative and ingenuity a spotlight which is a treasured piece of Garnier's equipment. The presentation was made by Mr. Matters of North Bay in the presence of Mr. Laurence, Father Burns and the staff and the whole student body of both schools. An autographed book and sports equipment was also presented as a tolon from the Garnier school.

PETAHTEGOOSE The second highlight in the social in the schools was the second annual harvest dance which was held in the Garnier recreation hall. It featured George Bruyere and his Grand 7 Ole' Opry plus a cast of singers who, we think, are quite good for amateurs if we are to judge by the way they flung those little old notes around. The show started at seven thirty wit George giving the first selections of the e His three songs were wonderful and he deserve 10 lot of credit for his very fine singing and for I strumming the ole guitar. The Garnierettes, Vera Shawanda, Bernice John Sally Daybutch and Iris Morriseau were excellent in their rendition of " The Happy Wanderer " and sever: Other selections. "Hayseed", that hilarious comedian brought the house down f: his flying entrance to his tripping exit. Somehow or other, he co not stay on his feet. Everytime his friend "Hayfever" bellowed : him, he seemed to be bowled over. Together, they sang " Poor Old Kaliga " in rustic fashion. Their antics and expressions gave the audience many a merry laugh. " Homer " Jones and " Jethro " Abel gave the enthusiastic audience their own rendition of "This Ole House". It was a new since the words were jumbled and juggled somehow to make it extrem funny. "Minnie Pearl " (Iris Morriseau) sang " Swiss Moonlight Lull in wonderful fashion. We all liked her yodelling. "Hank" Johnstor. was superb in " Much Too Young to Die ". The hearty applause he  $r\epsilon$ ceived showed that everyone enjoyed his rendition. This show was put on by the boys and girls as an entertainm before the dance. They carried the whole program on their own ini iative and direction. Their own eagerness to make it a success ma it very much just that. Congratulations! girls and boys!

Highlighting this talk after the boys returned

Most of the high school students turned out for practice in quest

a birth on the gridiron squad. Such /// stalwarts as Tim McGrath, A.Ominika, D.Fox and Roland Manitowabi were old hands to strengthen () () the backfield, while old boys like Bill Boyer, Richard () Morriseau, Bill Bunday and George Bruyere remained to [ hold the front wall. New recruits were busy learning/ the fundamentals of tackle football. Among this group, there is some promising talent in B. Jacobs, Luois Pelletier, H. Jones, P. Whiteduck, Bruce McComber, Ray. Morrison, M. Jawbone, A. Hardy.

The first taste of football the boys experienced was between two well-balanced intra-mural teams chosen by D. Fox and 1. McGrath and called the Blue Bombers and Green Hornets. The opening quarter resulted in a cat and dog affair with neither side making much headway. Early in the second half, Agillius received a nice long screen pass to chalk up the first touchdown. On a kick, Tim made one of his sensational runbacks to tie the game. The Hornets led at three-quarter time 6-5. The Bombers fiery spirit led them to victory with Dave Fox making two majors, the last clincher coming in the dying moments of the game.

## EXTRA-MURAL FOOTBALL - \* \* \*

The first game the local squad played was in Espanola against a senior team. The strong opposition resulted in a crushing defeat for the boys 38-0. The boys suffered injuries one after the other with Dave, Agillius and Bill Boyer out for a good part of the game. Ferhaps the recruits suffered a little too from football fright in their first game. However, they put up a gallant fight from the opening whistle to the end. \*\*\*\*\*Bill Dunday, Agillius, Bill Boyer.

The second game was played a few days later against the same Espanola team. The boys proved themselves by holding the opposition to a 1-0 score. The Espanola squad scored their lone field goal late in the second quarter, but the boys were marching up and down the field with passes and plunges by Mel Reid and Alec David that were beautiful to watch. At times, it seemed that the boys had the game in the bag but they just couldn't get across the pay line. The boys were without the services of Dave and Agillius. \*\*\*\*Mel Reid, Bill Sunday, A. to gain a win over the boys. In the first two games, they showed their lack of practice. The games were good and often very close but age told and youth surged ahead. On Friday, Nov. 12th, the faculty were persuaded into another game by the Captain of the Garnier All-Stars. he boys looked sure of themselves. Unfortunately, for the boys, the faculty team showed great spirit and overcame the Garnier team by defeating them by a very unexpected score of 40-27. The strategy of age paid off. We hope to see the faculty in the future for another game.

GASTROMTHE KITCHEN!!

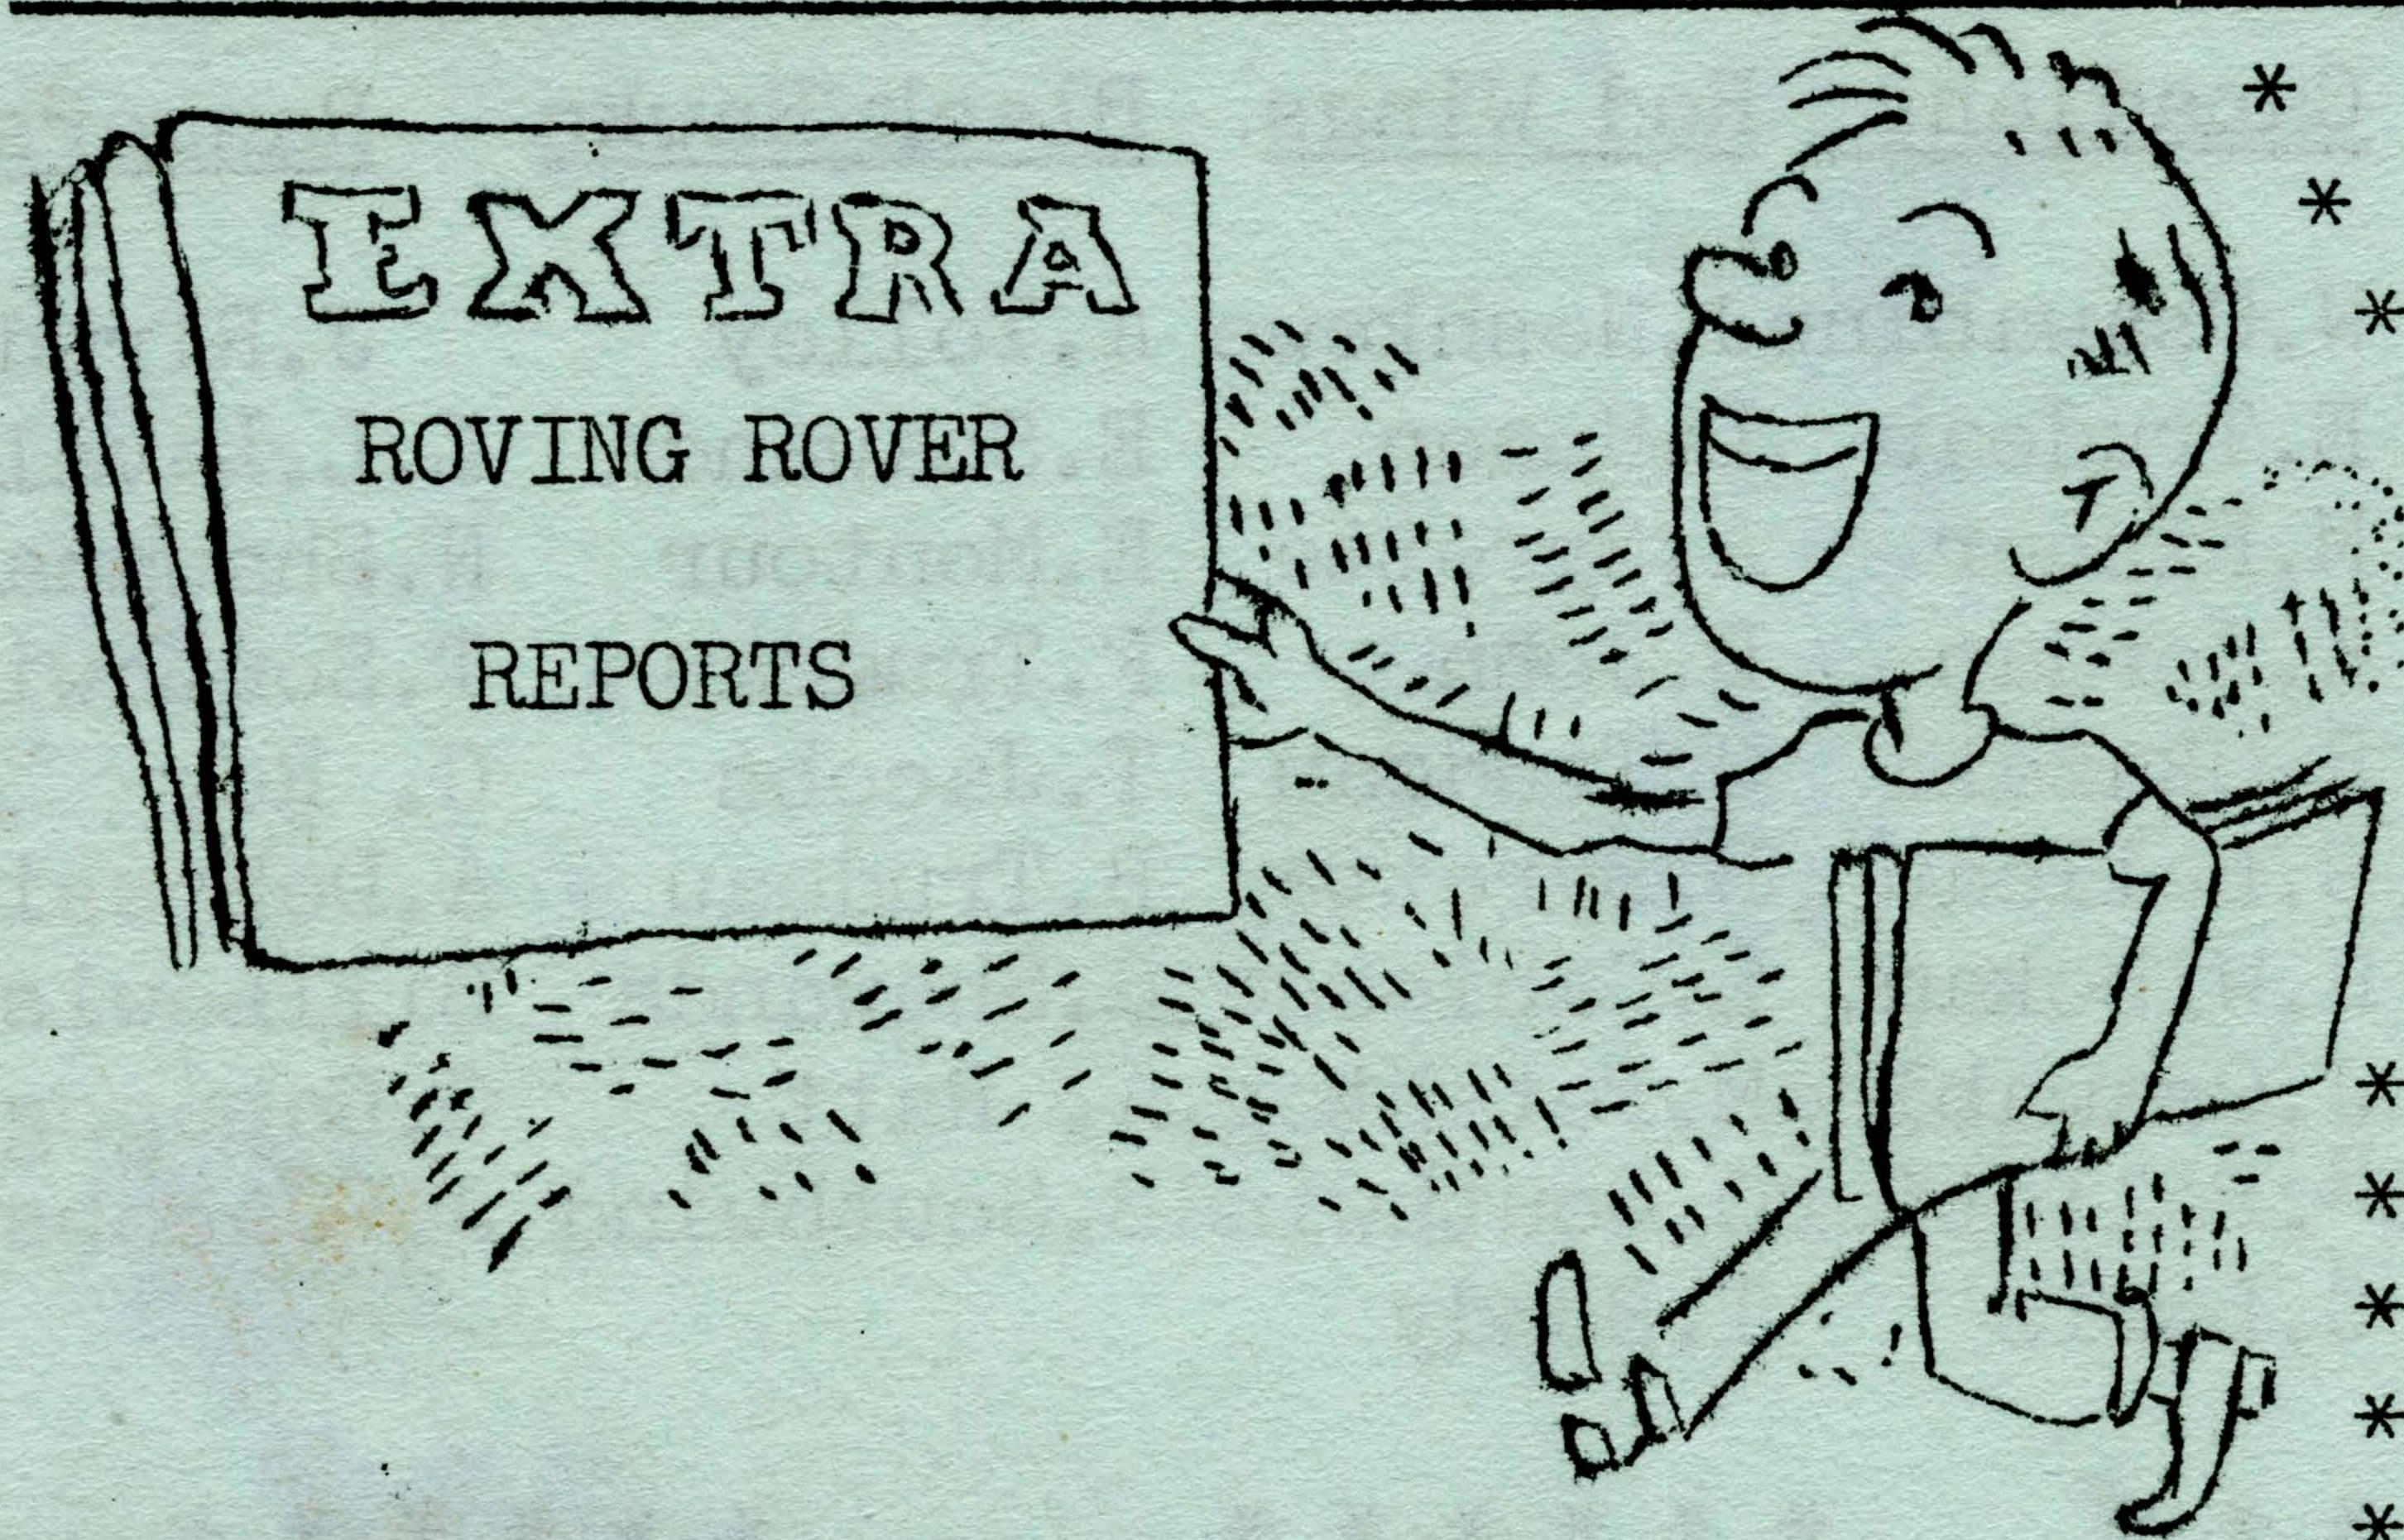

\* \* \* \* \*

by PETER JOHNSTON.

Our famous Garnier cook, Bro. Mara, is going about his work all smiles. Why? Because his long awaited dreams of a modernized kitchen have come true. A new red-tiled floor has been laid and a five foot high strip of glazed white tile now adds a touch of beauty to the wall. The remaining portion of the wall has been covered with hard board and painted coral blue. In addition to this splendid job of remodelling, a new two-oven propane gas stove has been installed. In the adjoining room, the old bakery, a new floor has also been put in and an electric dishwasher has been added. A good deal of arborite give the new kitchen bright and colourful a pearance. Add to this, the traditional smile of Bro. Mara and you have a kitchen that has no resemblance to the old one except the smile which is now a bit broader. Thanks Fr. Burns and Fr. Mackenzie for this improvement!

\* Why does everyone get

\* a kick out of Raymond

\* Stoneypoint? He was very

\* pleasantly surprised when

\* he was greeted by Grades

\* 3 and 4 when he came to

\* that classroom on an err
\* and. The whole class stood

\* up and sang out; Good

\* morning, Mr. Stoneypoint!"
