* Percy Whiteduck - has lived at Garnier for twelve years. When
* the Jesuit Father had their summer camp on Ayrd
* Island, Percy remained the entire year under Jesuit care. His
* first year as a mere tot at Garnier is well remembered because of
* the way he made himself at home. He was born at Rapid Lake, Que.
* on June 10th, 1938, but most of his younger days were lived at
* Garnier. Percy played for all the Garnier teams over the years
* and during the past hockey season was a member of the Championship
* Juvenile squad. Latterly, during the summer months, he has been
* a guide for the many tourists in the Maniwaki district. As a
* member of the school Sodality, Percy has spent much time beautif-
* ying the grotto situated on the rocks adjacent to the front part
* of the school. His future plans are to join the Department of
* Lands and Forests. Percy leaves the school with regret but also
* with many lasting memories.

The Faculty of Garnier and St. Joseph's extend
to you all their best wishes and prayers
that you will always have God with you
to overcome and conquer in the battle
of life upon which you are embarking.
