Dear Father O'Flaherty:

Research of Spanish River Reserve

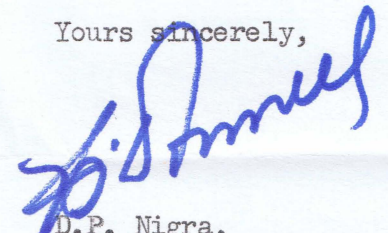

Further to our letter of November 3, we are enclosing a copy of a census,
taken in 1860, of Manitoulin Island, forwarded to us by the Public Archives.

The staff of the Public Archives must receive written permission from the Hudson's Bay Company in London, England, in order to view the microfilms of that company. Therefore, it is not known whether the microfilms contain an 1861 census taken by Superintendent Ironside of Manitowaning. A member of the staff of the Public Archives states that, due to the location of Manitowaning, it is not likely to be included in the reels of the Hudson's Bay Company.

In our Archival Research Unit, the earliest Interest Paylist for Manitowaning is that of 1870, which shows a total of twenty-five people.

Should you wish further information, we would be pleased to have another search conducted.

Yours sincerely,

D.P. Nigra,
Program Financial and Management Adviser,
Indian and Eskimo Affairs.
