BONIFACE ABEL—It has been nine years since Bon first joined us from South Bay. In that time he has won all to him with his constant cheer and warm charm. He possess a happy-go-luckyness which all but camouflages a driving perseverance that is his to carry out any project worth while. A steady worker, gifted artist, zealous sodalist, an effective hockey player. The school is proud to label Bon. as a Garnier boy.

DOMINIC CONTIN—"Cowboy" came to the school in 1943 from Pickrel, Ontario, and has proved himself excellently gifted in athletic prowess. He has starred on all of our teams in hockey, football, baseball and basketball. He is very fond of music and revels in strumming a guitar and singing cowboy lyrics. The best of luck from all of us in your chosen career.

ARTHUR COCO—Art arrived at Garnier a tiny, curly-haired lad in 1943 and has been with us ever since. His impulsive sense of humor, his mastery of idiomatic wit, has made him the school's Crown-Prince of Clownery. In all class subjects he shows a keen intellect and constant application. Art plans to become a master painter. Success to you, Art, from all your Garnier pals.

HARVEY ERMATINGER—Has been with us for nine years and has proven himself a true worker, having passed to Grade XII and at the same time having taken an active part in every field of work in and around the school. Harvey, from Walpole Island, daily displays a constant good sense of humor stars in hockey and basketball. He ambitions to become a Diesel Mechanic. Oursincere wishes for the best of luck, Harvey.

TERENCE JACOBS The fuse that sparks most of the joyful laughter in the rec. hall and on the campus joined us from Cutler in 1942. A persevering and very effective worker in everything he tackles, plus an active part in all school social functions has won for Terry the respect of fellow students and faculty alike. He won honours for our Track Team in the Sudbury Spring Meet and shone in football, hockey and basketball.

CECIL KING—This tall, handsome "Gable from Buswa" has been with us since 1946, excluding one year. Cecil is noted for his willing and extremely effective leadership, courage, kind-heartedness and care of little boys. A master of all trades, he has a blend true of capability and affability. To our Valedictorian, God speed you to success in the teaching profession, Cecil.

—From a Friend

TIMOTHY McGRATH — Citizen of Spanish walked in Garnier two years ago and promptly won the whole school by his constant cheerfulness and all-around adaptability in studies, social functions and sports. A leader in class, a shining star in hockey, track, football and basketball. Ambitions to become a teacher. Every good wish from all of us!

ALAN McGREGOR — Very popular ambassador of goodwill from Birch Island. He has proven himself the boys' boy by being elected President of the Sodality for two straight years. He is a great lover of the outdoor life, a capable carpenter; he plays the violin and piano in our orchestra, excels in all sports, particularly hockey and baseball. We all hope that you win the world of the future as you have the school and your fellow students during the past four years at Garnier.

JOHN PELLETIER — Squaw Bay's Sea Dog of the North possesses a wonderful vocabulary and an even more wonderful way of winning all his friends. Voted the school's eisiest man to get along with, he is also promoter extraordinary and always ready to push any project to success, especially anything pertaining to dramatics, of which department he is Chairman. He stars in football and senior shot-put. Favourite expression, "certainly, most certainly." Captain John is inclined to attend Naval College. Smooth sailing, John.

JOSEPH SCHNURR — The quiet volcano, the willing whiz of Waterloo-Kitchener sports fame, who chose Garnier to complete his Grade 12. Joe quickly made friends with all of us with his "free and easy" style of doing all things hard or otherwise, his willingness to always co-operate and show that he belonged to Garnier. Joe made hero-worshippers of all the boys in hockey and baseball as he showed them how to play the right way. Favourite expression "It is necessary that I should scrounge." Ambition—Diesel Engineer. From your adopted friends, the best of futures, Joe!

GILBERT WHITEDUCK — The man from Maniwaki. Gilbert debuted in Grade One in 1946, and now has completed his grade twelve. He has long deserved the title of Princ of Popularity. At school, a good athlete, fancying football and hockey. At home, the tourists' favourite guide. Favourite expression, "Gotta cigarette." His sparkling smile bespeaks the happiness we wish him in the teaching profession.

GARNIER SCHOOL SONG

We're all in the fight for the black and the white;
For the black and the white mean Victory.
Let's all give a cheer for Garnier so dear,
For the school that has even been all to me.

You can see our smoke signals lighting,
As we go on the warpath fighting:
Let's all sing and shout for the brave who are out—
For the braves who are out for Victory.

We'll all do or die for Garnier's our cry,
For Garnier, we'll roll on to Victory.
From our wigwams we'll come racing
And our enemies we'll go chasing.
We're in the fight for the black and the white.

For the black and the white means
G-A-R-N-I-E-R.

To The Graduating Class of 1953

It is my happy privilege to extend to you the sincere congratulations of the teaching staff of St. Charles Garnier and St. Joseph's I am very proud of the spirit of co-operation you have shown during your high school course. You are graduating not as a group who has merely satisfied the requirements of the Ontario Department of Education; that is but one of the accomplishments of the past four years. You have grown in Age and Grace and Wisdom. I feel sure that you will carry high the ideals inculcated in you during your course. Your future will be followed with great interest. I know that we will have every reason to be proud of you in whatever field you choose to follow. This is but an 'Au Revoir.' You leave as Graduates; you will always return as welcome guests.

Father C. N. Rushman, S.J.
Principal.

True patriot-love in all thy sons command,
With glowing hearts we see thee rise,

ST. JOSEPH'S GRADUATES OF 1953

Congratulations and Good Wishes

The Faculty of St. Joseph's

GRACE ABEL — Though she is one of our younger graduates, Grace is a very popular one. She is the kind of girl with whom one likes to work, chat or play. English Literature is her favourite subject, basketball her favourite sport. Always pleasant, willing, helpful, that is Grace.

RITA COCO — Rita smiled her way into St. Joseph's about nine years ago, and has been singing and dancing her way into our hearts ever since. Both as a junior and as a senior she was outstanding in dramatic productions, always a valuable member of the choir and Glee Club, and no mean opponent in sports. Best of success in that Nurses's Course, Rita.

SHIRLEY COCO — Good things are done up in small packages. Shirley the little girl with the big smile, is a fine athlete, a loyal friend, a pleasant companion. After being with us for twelve years, Shirley is going to be greatly missed at St. Joseph's. We wish her success in the business world which she hopes to invade.

DELMA COOPER — Delma does not say much, but she does a lot. Quiet and unassuming, she has worked her way to the top. An excellent student, a loyal friend, a plucky athlete. Pembroke and Grade XIII is her goal. We think she will make it in the same determined manner with which she went after the ball in the famous Garnier-St. Joseph broomball series. Good luck, Delma.

RITA ESHKOGAGAN — Rita hails from Wikwemikong, four years ago. Quiet, industrious, dependable, she has been two years Sodality President. Rita is a good all-around athlete but is perhaps at her best at basketball. We hope she'll receive all her "passes" as smoothly as she does those of the basketball type.

RITA JOCKO — By continuous, dependable work, Rita has won for herself the reputation of being one of our best students. Home Economics is her favourite subject, softball her favourite pastime. She is not very big, but she is very determined, as those who have played basketball with her well know.

CLAIRINE McCOMBER — Clarine is the only Caughnawaga representative in our graduation group, and she is an able one. Pleasant and fun-loving, Clairine is interested in all school activities. History is her favourite subject, hockey her favourite sport. "If she's smiling all the while," that's Clairine.

SUSAN MCGREGOR — Loyal, helpful, witty dependable, that's Susan of the Birch Island McGregors. Favorite subject: Home Economics; favourite sport, softball; favourite trait, just being Susan. Susan is going to continue school, Grade XIII next year. You are going to be missed at St. Joseph's Susan but we know you'll be an asset wherever you go!

JOYCE SOLOMON — Joyce has been at St. Joseph's since she was a very small girl. Since her first year in school, reading has been her hobby. But, lest you should think her a book-worm, glance over her other interests, baseball, basketball and hockey, she plays them all, and well too. She is among the best of our choristers, dabbles in art, and plans to specialize in hairdressing.

JANE TRUDEAU — Jane holds the record for being the longest at St. Joseph's and she leaves us with many happy memories. Gracious and co-operative, Jane has a way of making and holding on to friends. Hold on to that friendly smile, Jane and to that knack you have of getting things done, without fuss and at the right time. We are anxious to see in the white cap, and wish you success.

JULIA ANN TRUDEAU — Julia came to us from Wikwemikong, a very small and very active girl. 1953 Sodality President, an outstanding athlete, and a good student, she leaves us this year to begin her course as a nurse-in-training. We think that her pleasing personality and spirit of helpfulness promise much in the way of happiness for herself and others.
