Archbishop Inspects North Bay Church

NEW BUILDING TO BE OPENED SOON

NORTH BAY — "Don't be too parochial, look over the fence and see what is going on in the rest of the world," Most Rev. W. L. Wright, Archbishop of the Anglican diocese of Algoma, counseled members of the newly-created Christ Church in North Bay on Sunday May 4.

"You can get caught up in the machinery of good works and forget why the church is here," His Grace said. "Don't get top-heavy on constitution. The church's main purpose is to lift people up to be like Him, never forget that. It is fine to be intensely interested about your own church, but put your head over the fence and see what is going on in the diocese, in the rest of Ontario and Canada and overseas. Don't be purely parochial. Have the worldwide, forward outlook."

The Archbishop was addressing members of the Christ Church Brotherhood of Anglican Churchmen at a breakfast meeting in the Manor Hotel following Holy Communion Sunday morning. In the afternoon he, along with the rector, Rev. Murray Tipping and members of the building committee, inspected the new church in the hill section of the city. It is expected to be opened within the next few weeks.

Archbishop Wright's address to the men and their sons dealt largely with the forth-coming Lambeth Conference in England, which he will attend. He and Mrs. Wright will leave their home in Sault Ste. Marie on June 3, first to attend the Brussell's Fair in Belgium and then the conference in England. He will also attend the 700th anniversary of the Salisbury Cathedral on June 23. He made the interesting observation that he was in North Bay to mark the opening of a brand new church, while in a little more than a month's time he will be in England to take part in a service commemorating the 700th birthday of a church.

His Grace said the Lambeth Conference "symbolizes the universal concept of the church." The 319 bishops who will be in attendance will represent the 40 million Anglicans who live in all parts of the world. Thirty-one of

these bishops will be from Canada. "It will be a place of fellowship under the invitation of the Archbishop of Canterbury to discuss such subjects as today's message in the Bible, church unity, the progress of the Anglican Communion and the church in family life." It opens July 3 and lasts for a month. Archbishop Wright has been appointed to the church unity committee.

"There will be five bishops from China," Archbishop Wright revealed. "The Red government is allowing them to come, and I think that's significant."

A high honor has been conferred on Archbishop Wright in that he has been chosen to preach from the pulpits of Westminster Abbey and St. Paul's Cathedral. As Metropolitan of Ontario, it will also be his duty to introduce the

other Ontario bishops to Queen Elizabeth at the reception which Her Majesty will hold for the Lambeth Conference delegates.

Archbishop Wright was introduced to the Christ Church BAC meeting by Robert Dudley and the thanks of the members were extended by A. V. D. Luft. William Marsh, president of the brotherhood, was in charge of the meeting.

nearing completion, will serve a large Anglican congregation, in the hill section of the city. The archbishop, centre, poses with members of the church's building committee who ac-

companied him on his visit to the site. They are, left to right, J. S. Cooper, J. W. Chapman, Archbishop Wright, Art Young and A. V. D. Luft.

Now Is Time To Play Hooky In the Spring

One day, along about now, the temperature will be just right. The day probably will be a little windy, but given a reasonable proportion of sunshine between clouds that will not matter much. This day will be easily recognizable as the one Spring day on which it is imperative to play hooky.

One will not be able to tell precisely why it is this day, rather than yesterday or the day before. But something about the light through the window, when one awakes, or about the way a robin is practising his scales somewhere outside, or in the way the smell of coffee filters up into the bedroom from the kitchen, says that this is the day.

IN MID WEEK

This day would not be a Saturday, if Saturday is a day not to work nor a Sunday. It has to be among the other five, when one normally would make one's way to one's job and struggle through it — a day among the other five when most other people will go to work and, because it is a good Spring day, will be looking often from their windows.

One wastes little time on finding a reason why the office will not be visited on this day. The real reason certain people would not believe; it is simply that one wants to go for a walk to pay one's respects to Spring.

It has been a hard Winter; it is only proper that Spring be saluted, its essence savored before it is too late. The time between bud and full leaf is short. This day's outing should not be postponed.

THE ARCHBISHOP'S LETTER

Lambeth Conference Holds the Spotlight

My dear Friends:

My letter in this issue is being written shortly before Mrs. Wright and I sail for England. We leave Montreal on June 3rd — "Empress of Britain" — arriving in Liverpool and London on June 10th.

My first official engagement will be a preaching assignment in Westminster Abbey on June 15th. The Lambeth Opening Service will be in Canterbury Cathedral, July 3rd. The Bishops will also meet in corporate worship at St. Paul's on Sunday, July 6th. The Closing Service will be in the Abbey on August 10th, and we hope to return to the See City on August 17th.

Mrs. Wright and I are most grateful to all the members of our Algoma family for making the trip possible. We hope to give you

a detailed account of our pilgrimage on our return! I hope I am as fortunate with my pictures as I was at the last Lambeth!

I am very sorry to have missed the Diocesan W.A. Annual in Huntsville. From present observations the meetings promise to be of much interest and I am most grateful to the President, officers and members of the Woman's Auxiliary for their constant and loving interest in the work of the Church, not only within the Diocese but in other parts of Canada and Overseas. The devoted offering of steady service rendered by the women and girls has contributed substantially to the spiritual progress of the Diocese.

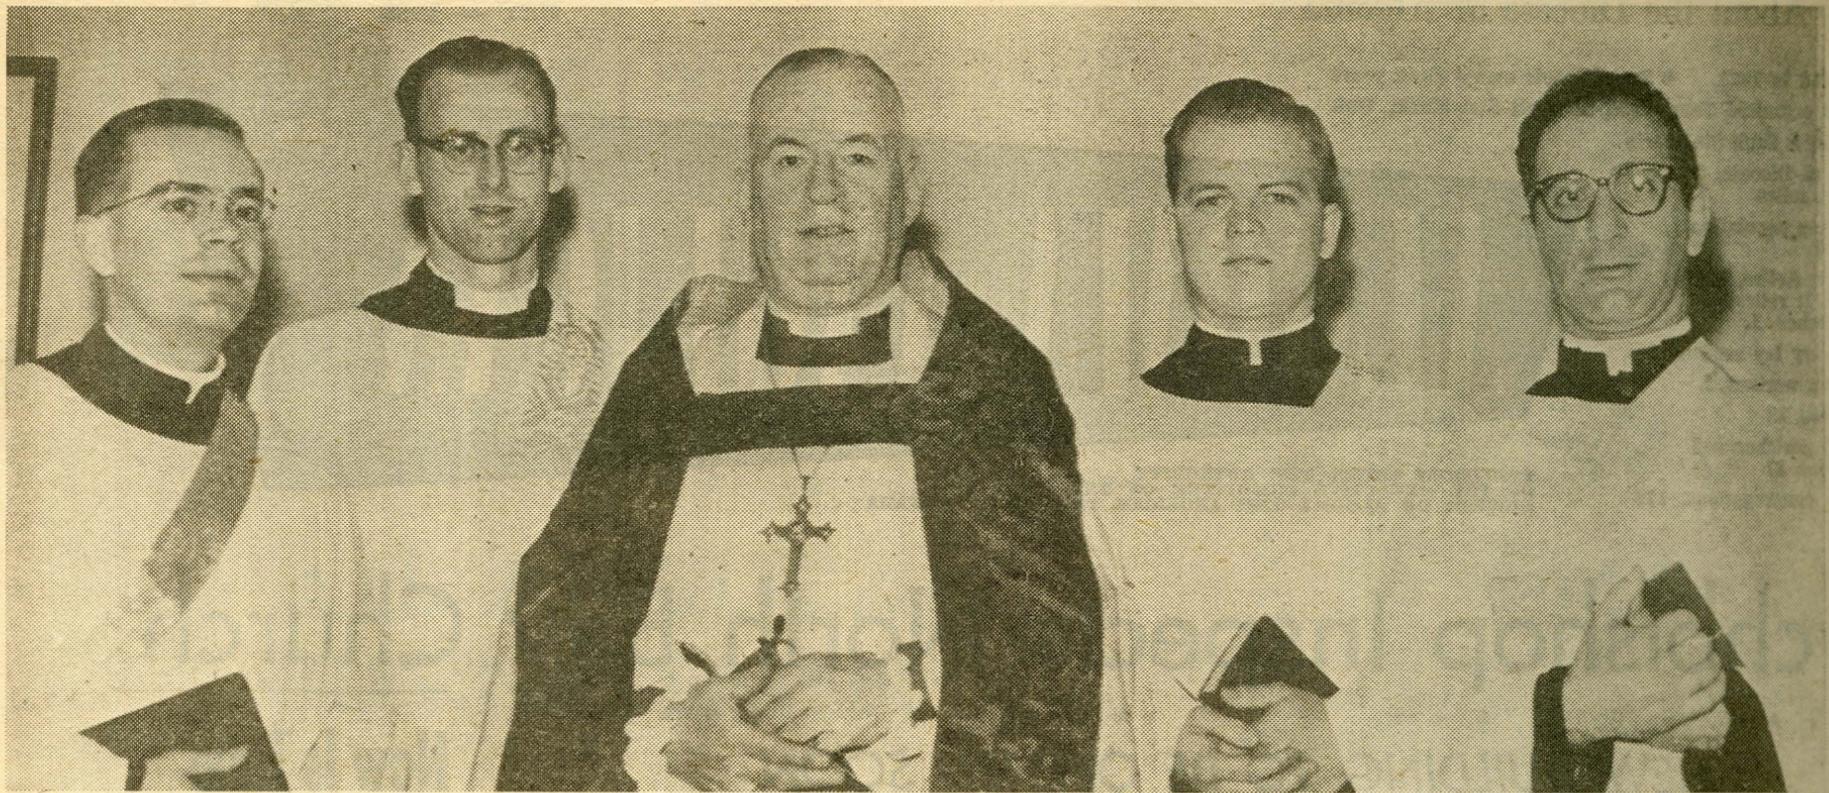

Many of the clergy have written letters in appreciation of the Clergy School which was so successful. To the parishes in Sault Ste. Marie

and district I wish to add another "thank-you" for their co-operation. The Cathedral ladies supplied excellent meals and the spirit of fellowship prevailed. Sixty-six clergy were in attendance.

During my absence the Dean will act as Commissary. I am most grateful to him for this assistance.

You will all be in my thoughts and prayers during the next two months. I trust that you will remember to pray for the Bishops at Lambeth. Many decisions of world-wide significance will be made and it is of primary importance that the whole Body of Christ share in these deliberations by constant prayer.

May every Blessing be with you and yours,
Your friend and Archbishop,
WILLIAM L. ALGOMA

Preaches Sermon At Sundridge

SUNDRIDGE — The Very Reverend R. L. Seaborn preached the sermon at the service of Holy Communion in St. Paul's Church, Sundridge May 4. During his address, Bishop Seaborn expressed his pleasure of having the opportunity of preaching in St. Paul's because of his long years of association with this church during summer holidays.

Bishop Seaborn was consecrated as Assistant Bishop of the Diocese of Newfoundland in the Cathedral Church of the Holy Trinity, Quebec on the feast of St. Mark the Evangelist.

The Pectoral Cross which he wears as bishop, is inscribed with the emblems of the four provinces where he has been called to serve in his ministry. The trillium for Ontario, the wild iris for Quebec, the dog wood for British Columbia and the pitcher plant for Newfoundland, all these entwined with Maple leaves denoting time spent in the chaplaincy service overseas.

A native Sudburian, Rev. Nelson Adair officiated for the first time at celebration of Holy Communion, in the Church of the Epiphany at 8 a.m. on Sunday, May 4th.

Mr. Adair, a graduate of Sudbury High School, was ordained as an Anglican priest in St. John's Anglican Church, North Bay on Thursday. The ceremony was conducted by the Most Rev. William L. Wright, DD, Archbishop of Agloma.

On Sunday morning Rev. S. M. Craymer of The Church of the Epiphany was assisted during the regular service by Mr. Adair, who preached the sermon. He made his first appearance as a priest in the church in which he was baptized and confirmed.

He is the son of Mrs. D. Dixon, 275 Peter St.

WHITE RIVER POST

At present the new priest is stationed at White River, where he has served as a layman and deacon since 1956. Prior to that, he served for three years as a church army captain, at Garden River.

At White River, Mr. Adair has a parish stretching along the CPR main line a distance of 92 miles, between Regan and Missanabie. It also includes Renabie Mine, 14 miles north of the railway.

Decide on Size Of Parish Hall

KAKABEKA FALLS — The Anglican Woman's Auxiliary held a meeting at the home of Mrs. L. R. May this month when Mrs. R. Leiterman presided.

A motion was passed that the annual apportionments of \$49 be sent to the Diocesan W.A. treasurer. It was decided to start a Parish Hall building Fund, each member donating 25 cents to it at the regular meetings.

After a brief discussion, the size of the proposed parish hall to be built onto the rear of the church, was set at 16 by 28 feet and to be built of the same construction materials as the church with a door on either side beyond the church building.

Mrs. E. S. Knowles, Bishop's Messenger in the West Thunder Bay Parish, was present and sold a number of cook-books in connection with the Camp Gitchigomee fund. Special thanks are due J. N. Edgar for kindly allowing the use of his lunch-room for a bake sale, also to the United Church W.A. for their generosity in providing the use of their church basement for the spring tea and to R. Leiterman for his kind donation of \$3 to the W.A.

Lunch was served by the hostesses.

Plans of \$100,000 Church Timed to Aid Tradesmen

PORT ARTHUR — The new \$100,000 church for St. Michael and All Angels will be built during the seasonal-lay-off of tradesmen this year, in order to help provide more employment at a time when it will do the most good, it was announced by church officials.

This decision was reached at a meeting of the church building committee and present plans call for the turning of the first sod early in September.

"The church building committee feel that it can do a further service to the community by delaying construction until the fall," Harry Adderly, building chairman said today. "By starting in September and carrying on through the winter months we

will be able to provide some much needed jobs during a period when unemployment is usually at its highest in the city."

The new structure will cost in the neighborhood of \$100,000, Mr. Adderly said. It will be of conventional design and will face Red River Road at the northeast with an entrance-way leading off Rockwood Avenue.

Contours of the land have been taken into consideration by the architect, Harold Tett, and the grove of birch trees which have marked the entrance to the West End for the past half century will be preserved as much as possible.

A unique part of the building will be a sound-proof balcony

specially designed in accordance to the church policy of family worship. The gallery will be glass enclosed and will accommodate mothers with small children-in-arms, who would otherwise be kept at home. A public address system will be installed.

Another feature of the building will be a small private chapel for small weddings, week-day services and other occasions.

The church will also contain the rector's office and a vestry. Seating capacity of the new church will be more than 300 and the basement will accommodate a like number of children in the Sunday School room.

Teams of canvassers will commence calling on members of the parish next week in an effort to obtain as many pledges as possible during the building fund drive.

To date spontaneous response has been encouraging, Rev. J. E. Jordan, church pastor, said.

The original St. Michael and All Angels Church was built in 1907 by a group of Anglicans headed by the late J. E. Bagley, father of Mrs. E. Greaves, 139 South Windermere Ave., and presently the oldest member of the church congregation.

Decide on Improvements At Camp Gitchigomee

FORT WILLIAM — The Ladies Auxiliary to Camp Gitchigomee formulated their plans for the 1958 season recently in St. Luke's parish hall. It was decided at this meeting that \$1,000 would be necessary to meet the improvements and replacements required in the camp.

An additional sleeping unit is needed which will cost in the neighborhood of \$250. A 3,000 to 5,000 watt generator to supply electricity to service the water pump, lighting plant, etc. costing approximately \$400. A propane cook stove with a large oven. Replacement of oilcloth with inlaid linoleum on table tops and six long benches is required for the dining hall. A must is a stainless steel drinking water container with good fitting top and tap. Also a tent to house the craft classes.

So far donations have been received from St. Paul's, Group 10, \$100; St. Paul's W.A., the propane cook stove; St. Luke's W.A.; St. Stephen's W.A.; and St. George's W.A.

Donations of children's books, books for teenagers, and records for the library would be greatly appreciated. Contact the representatives in your W.A. regarding this.

The 1958 season camping dates are as follows: Senior boys, June 29 to July 5, Senior girls, July 6 to July 12, Junior girls, July 13, to July 19, Junior boys, July 20 to July 26.

The auxiliary now boasts 33 ladies in its ranks. St. John's — three, St. Stephen's — three,

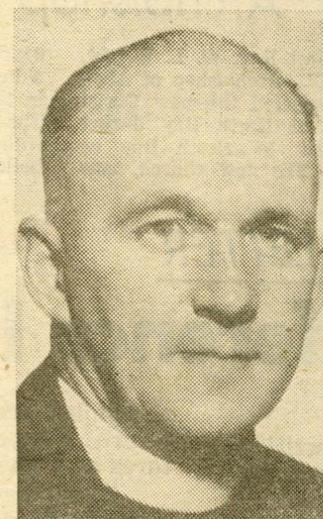

St. Michael's — two, St. George's — three, St. Mark's — two, St. Thomas's — six, St. Luke's — three, St. Mary's — five, St. Paul's — six. Still actively working from the original group of ten are Mrs. L. C. Irwin from St. Thomas's, Mrs. Lou Rapley from St. Luke's, Mrs. D. Bradford from St. Michael's, and Mrs. Limbrick from St. Paul's. Mrs. J. B. Johnston from St. Paul's is now treasurer-registrar for the general camp group.

Girls to Receive Financial Aid For Festival

SAULT STE. MARIE — Mrs. E. Clement, secretary of St. John's the Evangelist W.A., gave a resume of rural life in Japan at a recent business meeting of the W.A. She also briefly reviewed the social and economic conditions of this eastern country.

Mrs. E. Piper, leader of the G.A., requested assistance toward travelling expenses for the girls to attend the annual spring festival in Port Arthur. The W.A. voted \$50 as financial assistance for the G.A.

Mrs. E. Siegman, Dorcas secretary, presented the annual requisition for the boot and blanket fund. The W.A. voted it \$14. Mrs. Siegman was then authorized to make the necessary purchases for the clothing for Shingwauk.

New Curate

Rev. Lloyd S. Hoover was appointed this month as assistant curate at the Church of the Epiphany in Sudbury. He will assist The Rev. S. Maitland Craymer, S. Th., rector. Mr. Hoover's home is at Lake of Bays in Muskoka, near Huntsville. He is a graduate of the Montreal Diocesan College. He is married, with two children, Brian, 8, and Carroll, 4.

Canadian-born Minister Is Honored at Baton Rouge

By PAM HESSEL
The Baton Rouge
Morning Advocate

BATON ROUGE — Dedication ceremonies were held on May 5 for a new stained glass window in the Episcopal Student Centre, Louisiana State University.

The ceremony has particular significance, however, for the beautiful window, purchased from Whipple, Sussex, England, is inscribed, "To the glory of God and in grateful appreciation to the Rev. Joseph Seymour Ditchburn, chaplain, 1930-49, and Marian Coate Ditchburn."

The inscription is the culmination of a movement which has taken place in the past two years to produce a thank-offering for the Ditchburns' many years of service at LSU. Subsequently, gifts of money arrived for that purpose and the testimonial took the form of one of the large stained glass windows originally planned by the Rev. Mr. Ditchburn.

Canadian by birth and upbringing, the Rev. Mr. Ditchburn was born in Rosseau, between Parry Sound and Bala in 1891. He received his baccalaureate degree from Toronto University in 1912, and studied for the ministry at Trinity College, Toronto.

In 1919 he married Miss Marian Coate and in 1921 he became a deacon of the church, and was

ordained to the priesthood a year later. He was then called to St. Paul's Episcopal Church in New Orleans where he served until 1925, when he and Mrs. Ditchburn left for a parish in Detroit.

UNIVERSITY MOVED

During these years, wheels were set in motion to move Louisiana State University from its site in downtown Baton Rouge, on the present Capitol grounds, out to the acreage where it is now located. Among the new buildings on a new campus, the Episcopal Student Centre, completed in 1930, was given its original impetus by the Rev. Mr. Malcolm Lockhart and the congregation of St. James. It was named for the Rt. Rev. Davis Sessums, for many years the Episcopal bishop of Louisiana.

The Rev. Mr. Ditchburn became its first chaplain and his wife and two small daughters came to live in the upstairs apartment provided for them.

For 19 years, the Ditchburns worked with young people at the University. As their three daughters grew older, they also participated in student work, making the project a family affair. The student center became a haven of spiritual strength and a home-away-from-home for many students.

He did not confine service to youth to the University campus.

In 1938 he became chairman of the department of college work in the fourth province and in 1939 he was a member of the newly formed National Commission on College Work with headquarters at the National Cathedral, Mt. St. Alban, Washington, D.C.

With characteristic vision and a concern for all youth, he developed in 1944-45 plans for a victory fund campaign, of which he became the chairman and which went into action at the end of the Second World War raising a sum considerably in excess of the \$250,000 solicited.

This money made possible additional acreage and the original buildings at Camp Hardtner, and the establishment of student centers at Tulane-Newcomb in New Orleans, Louisiana Polytechnic Institute in Ruston and Southwestern Louisiana Institute at Lafayette, as well as assistance at All Saints Episcopal College in Vicksburg, Gaudet's school in New Orleans and St. Michael's Mission and Community Center in Baton Rouge.

At the end of 19 years of service at LSU, the Rev. Mr. Ditchburn felt that his campus ministry should be placed in the hands of a more active, younger man and so decided to retire from college work and return to the diocese of his birth where he has been serving ever since in the quiet beauty of the Ontario countryside as a rector of Trinity Anglican Church at Bala and in charge of several neighboring mission churches as well.

Gravenhurst Church Decides on Repairs

GRAVENHURST—At a recent meeting of the vestry board of St. James Anglican Church it was decided to re-floor and tile the Nave of the Church, but to do this it would be necessary to remove the old pews and to replace them with new ones. This of course, would entail a major expenditure, which could not be undertaken in the usual manner, due to the recent expenditure for a new furnace.

The wardens, with the help of other vestry members, heading a drive to raise the necessary funds, started out with a turkey dinner. This dinner was looked after entirely by the men of the church. It was gratifying to the committee to see the response from all members of the Parish. It was decided to have three sittings, each of 125 persons, one hour apart, starting at 5.30 p.m. The first setting was completely served and eaten, with the second setting starting to eat at 6.35 p.m. While the third setting was ready at 7.30, the hour being late, not too many attended this last setting, so the hungry waiters sat down to gorge themselves on a well-earned full course meal.

Comments were many and praise loud, especially by the ladies of this Parish, as they were surprised that the men could do such a thing. (It shows what men can do when they wish).

After the dishes, pots and pans were washed (by the men), the ticket money counted etc., it was found, after paying all accounts, that we had \$200.00 for our Renovation Fund. Since this dinner several donations have been spontaneously offered by members of the Parish, with more to follow later.

At the present it would look as though the Renovation Fund will take care of our plan within the next few months, with all the work completed.

Congregation Gets Literature Rack

SAULT STE. MARIE — The Margaret Wright Group of St. John's the Evangelist presented a fine literature rack to the congregation of the church. The rack which has been completely stocked with various booklets is installed in the narthex of the church. Prices are marked on the literature and a box is provided for coins, so it is hoped that this idea will prove self-sustaining.

North Bay Sees Largest Anglican Ordination Yet

NORTH BAY—Four men were ordained to the priesthood of the church and another five were made deacons May 1 in the largest single Anglican ordination service ever held in North Bay.

More than 350 persons, members of the clergy and friends and relatives of the ordinands and deaconates crowded into the Church of St. John the Divine to take part in the service, which was conducted by Most Rev. W. L. Wright, DD, DCL, Archbishop of Algoma.

Those ordained to the priesthood were: Rev. Nelson Leo Adair of Sudbury, appointed to All Saints Church, White River; Rev. Ernest Douglas Eldridge of Toronto and Beaver Harbor, N.B., appointed to St. Paul's Church, South River-Sundridge; Rev. William Robert Stadyk of Espanola, appointed to Manitowadge; Rev. Gabriel White of Wawa, appointed to St. Alban's Church, Capreol.

Those made deacons were: Rev. Lloyd Hoover of Falkenburg Station, appointment not named; Rev. James Thomas James of Brockville, appointed to St. John's Church, Pt. Arthur; Rev. Eric Beaumont Paterson of Toronto, appointed to St. Christopher's summer mission, McGregor Bay; Rev. David Arthur Smith of Toronto, appointed to St. Luke's Cathedral, Sault Ste. Marie; Rev. Donald Mackenzie London of Tor-

onto, appointed to St. Thomas' Church, Orville.

"Humility is among the first of the virtues of the ministry and priests of the Church of God," Rev. Canon F. Arthur Smith, D.D., told the group of candidates.

Canon Smith, who is rector of Christ Church, Deer Park, Toronto, advised the candidates to enter upon their responsibilities of leadership in that humility. He said it was true today that priests of the church were well-trained in theology and that many possessed other degrees as well. This made it even more necessary for them to possess humility so they might be able to teach those who did not possess this training.

"The average Anglican layman will respond eagerly to competent devout and sincere leadership . . . they are happy to be led but they will not be pushed," Canon Smith told the candidates.

The ordination service began with the grand procession of choir, Archbishop, ordinands, deaconates and more than 30 members of the clergy, led by the crucifer and servers of St. John's Church. The processional hymn was followed by the sermon, delivered by Canon Smith, whose own son David, was one of those made a deacon at the recent service. Canon Smith's father, who was also an Anglican minister delivered the sermon in like manner at his ordination.

The candidates were presented

to the Archbishop by the Venerable Cyril Peto, Archdeacon of Parry Sound. The singing of the ferial litany followed, led by the Very Rev. F. F. Nock, dean of St. Luke's Cathedral, Sault Ste. Marie.

In accordance with the ancient ritual of the "laying on of hands" which has ensured the Apostolic succession of the Christian ministry, the Archbishop and members of the clergy together laid their hands upon the heads of the four ordinands as the Archbishop vested them with the authority of the priesthood. Those made deacons also knelt before the Archbishop singularly and received from him authority to execute the office of deacon.

The service of Holy Communion was sung by the congregation led by the choir of St. John's Church during which the newly appointed clergy and their immediate relatives received Communion from the Archbishop. The church choir was under the direction of organist William Cameron.

A luncheon followed in the church hall at which the candidates and their families were introduced by Archbishop Wright. Archbishop Wright paid tribute to those who had chosen to enter the ministry and to their families, many of whom had come long distances to be present at the ordination. He thanked the choir, organist, servers, rectors and women's auxiliary of St. John's Church rector Rev. C. F. Large gone into the service. The visitors were welcomed by St. John's Church rector Rev. C. F. Large and by the rector's warden, W. J. Gigg.

Visiting clergy who attended the ordination were: Very Rev. F. F. Nock, Dean of St. Luke's Cathedral, Sault Ste. Marie; Rev. Michael Thomas of Mindemoya, Manitoulin Island; Rev. S. M. Craymer of Sudbury; Rev. Canon A. H. Simms of Haileybury; Rev. George Johnson of Cobalt; Rev. F. Arthur Smith, DD, Toronto; Venerable Cyril Peto, Archdeacon of Parry Sound; Venerable J. B. Lindsell, retired Archbishop of Muskoka; Rev. Percy Docksey, Callander.

Raymond Nornabelle of Powassan; Rev. George Sutherland of Bracebridge; Rev. Anthony W. Whyham of Onaping; Rev. Warren Banting of Espanola; Rev. L. Peterson of Coniston; Rev. Robert Lumley, of Elliot Lake.

Chapleau Men At Meeting In North Bay

CHAPLEAU — Ken Schroder, president, and Micheal Morris, past-president of St. John's A.Y.-P.A. Cheapleau, were representatives at the Fourth Council which was held in North Bay May 3, 4, or 5.

Upon their return to Chapeau Mr. Schroder and Mr. Morris addressed the congregation of St. John's church. Mr. Schroder chose this theme: "More leadership in oneself towards God." He stressed most strongly that youth over the last 25 years think more of comics and horror shows than of church and christian living. That students who showed great ability in studies should be encouraged by scholarships and donations to help them prepare for higher learning.

Mr. Morris stated that police should be trained better so they can guide youth through life and also hold the respect of the younger generation. He also encourages church leadership. Mr. Morris told of the wonderful welcome they had received in North Bay.

Rev. Doolan of St. John's praised the boys for their splendid efforts in addressing the congregation present.

Finds Deep Church Support In the Yukon

MONTREAL — A transient population is a problem facing the church in the Canadian northland, says Rt. Rev. Tom Greenwood Anglican Bishop of the Yukon.

"It is difficult at times for a particular church to maintain a constant congregation since many of the people are mining families and move about," said Bishop Greenwood while here for a visit.

"But there is still a deep active interest in religion, and the population of the Yukon now is about 12,000 an increase of more than 30 per cent from 1956."

He said the Yukon in recent years has progressed in leaps and bounds in many fields particularly education and industry. And the area was easily accessible with "fine gravel roads" linking main centres.

At Whitehorse, there is a 1,000-student school that serves the district for miles around. Christ Church (Anglican) Cathedral there, built in 1900, is believed the only log-built cathedral in the Commonwealth.

A graduate of Trinity College University of Toronto, the Anglican prelate served as vicar of the Church of St. Peter at Hale, Cheshire in England, during the Second World War.

He was later assigned to the Fort McMurray Mission in Northern Alberta and in 1949 served as a missionary in Yellowknife, N. W.T.

He was consecrated Bishop of Victoria five years later and succeeded Archbishop W. R. Adams at Whitehorse shortly after.

St. Paul's Cathedral Consecrates New Altar

LONDON — The new high altar of St. Paul's Cathedral — a memorial to the Commonwealth and Empire dead of both world wars — was consecrated this month in the presence of the Queen and Prince Philip.

Officers and cadets from 17 Commonwealth countries lined the Anglican cathedral steps as the royal couple arrived to a fanfare of trumpets.

The ceremony marked the complete restoration of the east end, so badly damaged in a German air raid Oct. 10, 1940. It also meant the return of the cathedral to something nearer the wishes of its great architect and builder, Sir Christopher Wren.

It was paid for by subscriptions from more than 100,000 Britons in all walks of life, and is the only memorial in Britain to the dead of the Commonwealth and Empire overseas in both world wars. They numbered at least 335,000, including almost 100,000 Canadians.

SPLENDID VIEW

The view down the nave from west to east, unobstructed for the first time since 1888, is one of breathtaking magnificence.

Not until 1959 will it be possible to see the cathedral again for the dedication of the American mem-

orial chapel in the apse beyond the high altar.

No until 1959 will it be possible to put right the barred-off north transept, damaged by the second direct hit on St. Paul's on April 17, 1941.

With the rebuilding of the nearby chapter house and choir school, about £1,000,000 will have been spent on the cathedral's restoration.

The massive high altar is of white and gold sienna marble from which rise wreathed oak pillars surmounted by an ornate canopy and the figure of the risen Lord with four adoring angels.

This is the kind of baldachino (canopy) in St. Peter's Rome, which Wren had in mind. It replaces a Victorian error of taste and commonsense, a pink marble reredos (a screen behind the altar) which obscured the view through to the apse.

When the high altar is dedicated, a laurel wreath will lie on Wren's simple tomb with its epitaph: "Reader, if you seek his monument, look around you."

Wren built 52 churches as well as St. Paul's.

The great fire of London in 1666, which laid waste the tangle of narrow streets, provided Charles II with an opportunity to rebuild the city. In St. Paul's Wren broke the Gothic past and built the first dome in England.

Rev. C. F. Large, left, rector of St. John's Anglican Church, North Bay, has been made a canon of St. Luke's Cathedral, Sault Ste. Marie. The installation took place at St. Luke's. Rev. Baxter Gosse, right, rector of St. Brice's Church, North Bay, has been

The Brotherhood Of Anglican Churchmen

By The Rev.
ROLAND F. PALMER, SSJE

In travelling across Canada and in giving Communion in a number of churches it has been most heartening to see so many men wearing the BAC shield with its St. George's Cross in their buttonholes. For years it has been possible to spot any of our keen churchwomen by their W.A. buttons. Now it begins to be possible to spot the men too.

The B.A.C. is now known from coast to coast. I went to call at a rectory in suburban Vancouver and found a meeting of the B.A.C. in progress. They were discussing two matters. One was a plan to visit a country parish to help the rector and his men to establish a branch. The other subject was the matter of a retreat to be held from Friday to Sunday in St. Mary's Kerrisdale. I heard later that this retreat was very well attended by men from a number of B.A.C. branches in greater Vancouver. It began on Friday night. The men went home to sleep. They came

back again for the greater part of Saturday and the retreat ended with early communion in their own parish churches.

Dr. Seaborn the new Suffragan Bishop of Newfoundland and at that time rector of St. Mary's conducted the retreat. In Huron Diocese these retreats are held on a deanery basis. The suburban group which I visited have done a great deal of work renovating their parish Church. We have a good number of branches in Algoma. We ought to aim at having one in every parish.

Father Palmer will be supplying in various parishes of the diocese between May and October. He may be addressed at the Synod Office, Sault Ste. Marie. The final meetings of the Prayer Book Revision Committee will be held in May. It is hoped that the revised Draft Book will be in print early in the New Year to give plenty of time for study before General Synod in September 1959.

Parry Sound Trinity Choir Aids Orrville

PARRY SOUND — On the evening of April 29, the choir of Trinity Church travelled to Orrville, and put on entertainment in aid of the W.A. of St. Thomas' Church there.

In addition to some negro spirituals by the whole choir, songs by the "Trio" and the "Triple Trio", there was a very humorous short "melerdramer" by the boys of the choir, assisted by Archdeacon Peto, and a one-act play by five members of the senior choir.

Following the concert, the choir was treated to a most enjoyable lunch by the ladies of the St. Thomas' W.A. The play will form a part of a concert to be given in Parry Sound later on in the year.

At Mattins, on Sunday, May 11, prizes were presented to the top three in each of three classes of the Junior Choir, following the examination in knowledge of the Book of Common Prayer. Top scorers in each of the three grades—Primary, Junior, and Advanced Junior—obtained over ninety percent of possible marks.

Instead of the regular business meeting of the Trinity Chapter of the B.A.C., there was a weiner roast at the Provincial Park on the evening of May 12.

Use Japanese Theme for Tea; Effect Good

FORT WILLIAM — Japan was the keynote for the annual spring tea of the WA of St. Michael and All Angel's Anglican Church, which was held this month in the church hall, convened by Mrs. L. Bell and Mrs. D. Drew. Directly opposite the door was a large water-colour painting of Mount Fiijiyama, created by Ted Bradford, and at every glance, profusions of Japanese cherry blossoms added a festive touch.

Welcoming all who called throughout the afternoon was the president of the WA Mrs. T. Batton, and the immediate past-president, Mrs. P. Hope, both wearing corsages of pale pink carnations. The tea table carried out the Japanese theme with a striking arrangement of Japanese cherry blossoms in a jet black china bowl, offset by cherry-pink tapers in matching black holders. At the tea equipage were Mesdames D. Murphy, W. McKissock, E. M. Jellett, and E. Wright, the first three being presidents of St. George's St. Stephen's and St. John's Woman's Association.

Dining room hostesses were Mrs. S. Green, C. Allen, and responsible for the charming decorations were Mesdames G. Bruce, F. Shewfelt and D. Bradford. Pink crepe streamers highlighted by cherry blossoms also were repeated most effectively at the windows.

SAULT STE. MARIE — A Japanese night, arranged by St. Luke's Branch of the Anglican Woman's Association recently in St. Luke's Hall was enjoyed by a goodly sized crowd.

Highlights of the evening were Japanese films, a display of Japanese articles and Nipponese refreshments.

Mrs. Nock was introduced by the president, Mrs. H. Chennells. Slides on Christian work in Japan especially in relation to Anglican work there, were followed by a beautiful film strip loaned by the Japan Tourist Association. Especially appealing to younger members in the audience were ski scenes in the Japanese mountains.

An interesting display of Japanese articles was arranged by Mrs. Nock, who brought some of the things herself and received many interesting items from an aunt who had spent 30 years in Japan. Canvass at Sault Results in More Church Members

SAULT STE. MARIE — The Every Member Visitation and Canvass conducted by the men of St. John's the Evangelist Church proved a success. It has resulted in increased church attendance. The financial results have also been most gratifying.

The assistance of Canon A. J. Jackson of the Dept. of Information and Stewardship was much appreciated. There are probably many in the Diocese who are not aware of the help available from this department of the church. St. John's heartily endorse their work and owe much of the success of their canvass to the help received.

Pledges received are being kept up well and with this continued support, St. John's should soon be free of debt. A follow-up committee has been organized to keep in close touch with all aspects of the visitation.

The Cycle of Prayer

... For June

The Lambeth Conference Committee on the Anglican Communion, in 1946, expressed the desire that the spiritual bond of prayer might be more widely extended between the dioceses of the Anglican Communion throughout the world, and the hope that a Cycle of Prayer might be designed for general use, as providing such a bond.

Replies to an enquiry by the Archbishop of Canterbury indicated that a uniform Cycle would be generally welcomed and adopted in the Provinces of the Anglican Communion. The task of preparing it was committed to the

Anglican Communion Advisory Council on Missionary Strategy, instituted by the Lambeth Conference to be the agent not of the Church of England but of the whole Communion.

The Cycle follows the lines formerly adopted by the Bishop in Jerusalem: it is well known that St. George's Cathedral, Jerusalem, not only used and circulated such a Cycle but sent an intimation day by day to each Bishop that his Diocese had been remembered in prayer.

Below is a list of the dioceses and Bishops who should be remembered in prayer during the month of June.

Girls Attend Third Annual G.A. Festival

PORT ARTHUR — Seventy girls, leaders, and deanery secretaries poured into the lovely Lakehead city of Port Arthur to attend the third annual G. A. Festival, held April 8, 9 and 10 at St. John's Church.

101 delegates from every corner of the vast Diocese, representing the total membership of 190 girls, plus 30 leaders and deanery secretaries, attended the festival.

Tuesday evening, Mrs. A. J. Thomson, wife of the rector of St. John's, conducted a "Let's Get Acquainted" program of games. This was followed by a talent show staged by the girls themselves. There were dramatics, singing, Scottish dances, sword dancing and a stream of varied numbers. The diocesan G. A. secretary-treasurer, Mrs. D. R. Davies, Capreol, was chairman for the talent show.

HOLY COMMUNION

The festival was officially opened with a celebration of the Holy Communion by the rector of St. John's, the Rev. A. J. Thomson. Canon Turner preached the sermon and challenged the girls to live up to their high call to service within the church.

The Rev. John Jordan and the Rev. Lawrence Robertson conducted a churchmanship class on Wednesday morning that was extremely well presented, and which held the attention of everyone present.

Wednesday afternoon was taken up with the competition for the Archbishop of Algoma Trophy. All materials and activities prepared for this part of the program were meticulously prepared. Judges were: Mrs. Peter Park, wife of the curate of St. Paul's, Fort William; Mrs. J. Gilkes, G. A. leader from Haileybury; and Miss Joyce Brunette, asst. leader at New Liskeard. The beautiful quilts made by the girls themselves were the centre of attention and formed a most colorful display.

The Archdeacon of Thunder Bay, the Rev. J. F. Hinchliffe, rector at St. Paul's, Fort William, was guest speaker following supper on Wednesday. Archdeacon Hinchliffe, who has headed the Diocesan committee on social service for the past 10 years, introduced next year's mission study which is to be on the topic, "Christian Social Service", and gave many an interesting glimpse into the subject to his listeners.

SLIDES SHOWN

After supper, slides of the Diocesan and Thunder Bay Deanery G. A. camps were shown. Miss Edith Page, Diocesan GA camp director, gave an interesting talk while showing her

slides, as did the Rev. Ray Haddon in showing the Thunder Bay series.

An evening of crafts followed. Mrs. H. B. Clinch, Port Carling, gave a most interesting insight into the hobby of charcoal sketching. Everyone had an opportunity to try their hand at sketching a vase and a bowl of fruit. The group then divided into two sections, with one being taught the art of making plaster of paris plaques by Mrs. E. Piper, Sault Ste. Marie, and the others learning to make earrings under the direction of Miss Edith Page, Gravenhurst.

Holy Communion was celebrated on Thursday morning by the Venerable J. F. Hinchliffe, assisted by the Rev. David Mitchell of St. Luke's, Fort William.

The diocesan girls' secretary conducted a business session with the girls, urging that each one make it her own personal concern as a G. A. member to ensure that there is an increase in giving this coming fall. It was also resolved during this meeting that the Saturday before St. Valentine's Day become known as the official G. A. Peppermint Pattie day throughout the entire diocese. Mode of sale is left to the discretion of the individual parish, but on this day, wherever there is a girls' branch, the patties are to be sold, and all money thus raised to be turned into a "travel fund" for use in defraying travel costs involved when sending delegates to the annual festival. Each

archdeaconery will maintain and support its own fund, so that in future years no branch will be without the means to have at least one delegate at the festival.

At the conclusion of her meeting with the girls, Mrs. Davies met with the leaders and deanery secretaries to further plan next year's work. It was resolved at this meeting that all WA branches, whether they have a G. A. branch in their parish or not, be asked to support travel funds in their own archdeaconery. Each year the travel cost of one deanery secretary will be paid from this fund, in addition to ensuring that each branch is represented at the festival.

After dinner Mrs. Park, on behalf of the judges, gave their decisions and comments re the competitions. Class trophies were awarded as follows. The mission study project, which was a scrap book illustrating the diocese, Nipissing deanery; quilt, Muskoka deanery; flannelgraph, Algoma deanery; drama, Thunder Bay deanery; oral quiz based on the mission study, Thunder Bay deanery; singing, Thunder Bay deanery; dancing, Muskoka deanery. The Archbishop of Algoma Trophy was presented to the deanery with the highest aggregate of points, Thunder Bay. This presentation was made by the Rev. R. Inshaw, Schreiber, on behalf of His Grace, the Archbishop. Class trophies were presented by the Rev. Peter Park, St. Paul's, Fort William.

Thunder Bay Juniors Attend Festival at Fort William

FORT WILLIAM — The annual Junior Festival of Thunder Bay Deanery was held at St. Paul's church, this month. Attending were 125 junior girls with their leaders and WA presidents.

The Festival opened with a hymn and prayers by the Venerable Archdeacon J. F. Hinchliffe. The treasurer of each group presented an offering to be used to purchase supplies to be sent to the Fukujen Orphan age at Sapporo, Japan.

Miss Kathryn Lennox, junior president of St. John's group thanked her on behalf of all present. Mrs. M. Cochran brought greetings from Thunder

Bay Deanery. An invitation was received from the Senior WA president of St. Michael and All Angels to hold the 1959 Festival at that church.

During the festival the members of each group took part in a play, a song and a game. These were based either on the year's missionary study, which was Japan, or on the J. W. A. program. Mrs. A. Thompson conducted several games in which all the girls joined.

INTERESTING DISPLAY

A very interesting display of handwork was shown, some of which will be sent to Toronto to be entered in Dominion competition.

At the end of the program the girls attended a short service in church, with the Ven. Archdeacon J. F. Hinchliffe in charge.

A delicious supper awaited the juniors, their leaders, WA presidents and clergy on their return from church. Rev. David Mitchell said grace. After the meal, which was provided by the members of St. Paul's Senior WA, and much appreciated. The Trophy was presented to St. Luke's group for the best average attendance during the year. The festival closed with The Queen, after which the Ven. Archdeacon J. F. Hinchliffe gave the parting blessing.

Old People, Babies Make Happier Homes

PORT ARTHUR — Social service must really be sociable service," said the Ven. J. F. Hinchliffe, archdeacon of Thunder Bay, when he addressed members of the girls' auxilliary at their third annual festival in Port Arthur.

The guest speaker was introduced by Mrs. Gilbert Thompson of Copper Cliff, Ont.

Archdeacon Hinchliffe was head of social service for the Diocese of Algoma for 10 years and was head of social service in prison work at Burwash Ont., for two years.

The Archdeacon pointed out how social service has changed during the past 25 years. He reminded the girls that they are not persons looking down from a lofty height on those they serve through social service. The Christian basis of social service was, "Thou Shalt Love Thy Neighbor as Thy Self". There must be real concern and love for the persons one serves. "If we love God, we must love those He loves; we must love all men everywhere for His sake," the archdeacon said.

SHOW FRIENDLINESS

People in far away lands must be cared for, and thought must be given to those around us also. The archdeacon asked the girls to be friendly to girls around them, especially with those others may not be too friendly with. He also reminded them of the stranger in the parish, and in their own block, and asked them to greet them with friendliness.

When visiting the sick, which is a christian duty, the archdeacon suggested that visits be brief with interesting bits of news for the patient, rather than many questions.

The archdeacon mentioned mental illness as one of the worst diseases in society today. "If you want to help the mentally ill, help to prevent the disease," the archdeacon said. He advised the girls to watch for signs of over-wrought nerves in themselves and to "pull up short" periodically, especially when doing too much rushing around, or going through a period of extreme boredom.

"God made you with a purpose. He has something for you to do," the archdeacon said.

With regard to offenders in society, he told the girls that one does not excuse them, but shows concern, and offers help.

Regarding the care of the aged, the archdeacon said there ought to be a place for them in the family. He told how a doctor friend of his remarked recently that it is shameful how anxious people are to push their old folk into hospital wards, rather than keep them in their homes. He said that homes today are mere "sardine tins" in comparison with the homes of yesteryear, but he suggested that rather than own two family cars, the money might be spent in having an extra room or two built on the house.

"You girls will be married some day. Make sure there is room for a baby and a granny in your home," the archdeacon said.

He told the girls that marriage is not a "bowl of cherries", and difficulties are many. They must not increase them, but must think about their place in the community."

Auxiliary At St. Luke's Holds Sale

FORT WILLIAM — The St. Luke's Anglican Church WA members, held their annual May Tea and bake sale in the parish hall this month.

Although many other social events were held on the sunny afternoon, the members were kept busy at the tea tables, needlework table, home produce and white elephant tables.

General convener for the affair was Mrs. Horace Ball, and receiving the visitors was Mrs. H. LeBrun.

The main tea table was attractively covered with an ecru lace cloth, centred with a bowl of pink and white carnations and tulips. Pink lighted tapers in double crystal holders flanked the centrepiece. On the individual tea tables rested tiny pots of imitation daisies.

Seated at the tea trays were Mesdames W. Stark, P. Gillman J. Davies and D. Ray. Serving the guests were Mesdames J. Dorota, M. Reid, W. Coslett jr., D. Stewart, R. Gosling, M. Cooper and Bonner. Miss Amy Dunk was in charge of replenishing. Kitchen arrangements were in charge of Mesdames C. Lea, L. Rapely and Miss D. Park.

The home produce table was looked after by Mrs. A. Dunk and Mrs. J. Johnston. The needlework counter was in charge of Mrs. H. Randall and Mrs. A. M. Little. The white elephant table was in care of Mrs. M. Pape and Mrs. G. Pape.

Looking after the cash bowl was Mrs. C. F. Howland.

Rev. Gabriel White Receives Communion Set From Mrs. S. Bezpalko While His Wife Looks On

Much Culture Thoroughly Evil, False

By WILLIAM E. GILROY, D.D.

The words of Jesus in John 16:33, "Be of good cheer; I have overcome the world," taken in context, are impressive and prophetic.

The sublime confidence with which Jesus encouraged His disciples follows predictions in the same passage of something much less than world conquest, the assurance of a dark hour in which they would be scattered and of tribulation what would befall them.

Yet Jesus bade them, "Be of good cheer."

The disciples were soon to experience the confidence of their Master. Following the Resurrection they went forth to conquer, so few against that vast Roman world as to make their confidence in their mission perhaps the most remarkable thing in all history.

HOW MUCH?

How much and how little the Christian mission of world conquest has been achieved the condition of the present world reveals if much has been accomplished there remains much more to be done.

But the Christian histories make manifest the reality of that strange paradox of confidence and victory in the hour and presence of seemingly defeat.

And so the overcoming goes on, in spite of persecuting, which in our own time, in China, South Africa, and elsewhere, has re-enacted persecution as terrible as in dark earlier days of martyrdom.

Nor are the forces against world Christian conquest all of persecution or of physical hostility. There is still a world of darkness that surrounds the regions of enlightenment; righteousness and truth are opposed by evil and falsity, love and brotherhood contend with crime and violence. At the very doors of our churches are millions whose lives give little indication that they have ever even heard of Jesus of Nazareth. Much of our so-called culture is thoroughly pagan when contrasted with Christian standards and ideals.

TASK GOES ON

The task of conquering the world for Christ goes on, and as the world becomes one a thousand miles means less than a mile of the ancient world, the task of Christian evangelism becomes more intense and concentrated. I think it may be said that in spite of all that is being accomplished, Christian activity lags far behind.

But for consecrated Christians though they are not martyrs, there is the sense of victory. They know that in themselves, and millions like them, Christ has won, and they wait, work and pray for the larger conquests.

St. Thomas Ladies Planning Supper

FORT WILLIAM — A potluck supper will be held at the next meeting on June 3, at 7 o'clock it was decided at a meeting of the evening group of St. Thomas' church. The function will be held in the church hall.

Mrs. E. Pierce was appointed to attend the diocesan annual meeting in Huntsville.

Friends Honor New Anglican Minister At Communion Breakfast in Capreol

CAPREOL — Relatives and friends of Rev. Gabriel White, who celebrated his first communion service recently, attended a communion breakfast in Gilmor Hall here.

About 140 people attended the breakfast sponsored by St. Mary's Altar Guild, under Mrs. D. Perdue, general convener.

A large cross-shaped cake

centred the head table which was flanked with tall candles and carnations and chrysanthemums.

Head table guests included Mr. and Mrs. A. Nepitt, Lillian Wylie, J. Barrand, A. Nepitt, Jr., Mr. and Mrs. W. H. Murray, Mr. and Mrs. P. Gryschuk, C. Berry, D. Kilgour and Mr. White's mother who resides at Wawa.

Mr. White, who was born in

this district, was given a sick communion set by the guild. The presentation was made by Mrs. Sally Bezpalko.

Earlier, Mr. White's mother and wife were presented with corsages.

Guild women serving the meal were Mrs. C. Berry, Mrs. J. Thompson, Mrs. R. Peetz, Mrs. S. Bezpalko, Mrs. D. Edwards,

Mrs. R. Greenhalgh, Mrs. D. Kilgour, Mrs. K. Potter, Jane Sally Speers and Wanda Rupert.

Mr. White was ordained at St. John's Anglican Church in North Bay. The Most Rev. W. A. Wright, Bishop of Algoma, ordained the Anglican minister.

The church was crowded to capacity for his first communion service here.

Rev. R. J. S. Inshaw Inducted at Schreiber

SCHREIBER — In a most impressive ceremony Rev. Reginald J. S. Inshaw was inducted as rector of the Church of St. John, Schreiber, by the Venerable James F. Hinchliffe, B.A., Archdeacon of Thunder Bay, acting under mandate from The Most Reverend William L. Wright D.D. D.C.L., Archbishop of Algoma.

The clergy assisting in the rites were Rural Dean Rev. H. A. Vallis, of Marathon; Rev. A. J. Thomson, of St. John's Church, Port Arthur; Rev. David Mitchell, of St. Luke's, Fort William; Rev. Alfred Reimers, of Nipigon — Red Rock, Rev. Frank Moore, of Red Rock, and Rev. Mark Saubrie, of Port Arthur.

Rev. Thomson preached the inspiring sermon, using as his topic "Priest, prophet and pastor." Rev. Thomson said the Rector

must be all three; first, by his ordination fulfilling the function of presenting people to God; second, as a prophet to preach the Word of God to the people, and third as pastor in caring for people as God's Children.

The admonitions were read while singing of the hymn, "We Love The Place O God, Where in Thine Honour Dwells." The keys of St. John's Church were presented to the rector by the wardens, A. Driffield and G. Birch.

Also attending the service as representative of St. Andrew's United Church was Andrew Grier, student pastor, Mrs. Inshaw, the organist and a full choir led the responses and hymns. Mrs. Hinchliffe, Mrs. Saubrie, Mrs. Moore, Mrs. Reimers and Mrs. Driffield accompanied their husbands, with Master Christopher Hinchliffe also present.

RECEPTION HELD

Following the service a reception was held in the parish hall when many speakers paid tribute to Rev. Inshaw. Mrs. A. J. Message and Mrs. R. Spicer, two of the oldest members, had the honor of presiding at the tea table with members of the women's groups serving the dainty lunch. Prior to the evening service the clergy and other guests from out of town with officers of the Church were served a dinner in the church hall.

Four of the clergy with their wives remained on the following day for the celebration of Holy Communion at 7.30. This day marked the anniversary of Rev. Inshaw's ordination into the Priesthood. The guests who remained for this service were served breakfast in the parish hall.

The induction service was of special importance, and interest to the congregation of St. John's and the many friends who attended, as the occasion marks a milestone in its history. St. John's has many times in the past attempted self-support, but this is the first time full canonical have been fulfilled.

POETRY CORNER

This is the time of the heart's delight.
When swans return from their southern flight.
Far above in cerulean blue
Silvered in sunlight their wings shine through.
This is the time when here in the dawn
Comes the leaf-like step of the little fawn,
Though she suddenly turns to disappear —
We know — we know that Spring is here.

LIVELY — The teachers and pupils of Christ Church Sunday School, Lively, were the hosts at a tea held recently. This was a new departure in fund raising for the Sunday School. The tea proved so enjoyable and profitable that they plan to make it a yearly project. A "blitz night" was held for selling tickets.

Catering arrangements were under the supervision of Mrs. A. H. Closs, Mrs. C. F. Baxter, Mrs. J. Anderson and Miss Beth Shoveller with a team of senior girls served the guests. Many compliments were paid the smartly turned out young ladies who executed their duties admirably.

Mr. H. Maddison and Miss Joan Tizell, assisted by pupils, showed their ability at merchandising by selling off a well filled bake table of goodies donated by the children's parents.

Mrs. J. Stanley welcomed the guests at the door and took care of tickets.

Archbishop of Algoma Dedicates Church Building in Diocese of Niagara

His Grace, the Archbishop of Algoma, Most Rev. W. L. Wright, paid a recent visit to

the Diocese of Niagara, where he dedicated a building to be used as a church and a hall

for the Church of the Nativity. From left to right above are Rev. B. C. Purcell, chaplain;

Archbishop Wright, and Rev. E. B. G. Heaven, rector of the parish. Archbishop Wright was

welcomed by the Bishop of Niagara.

Following a confirmation at St. Peter's Church, in Hamil-

ton, Archbishop Wright was photographed with Miss Irene

Wallace, deaconess; the Rev. W. A. Filer, rector, and Mr.

and Mrs. Norman Lancaster and their daughter, Marlene.

The affair was a tremendous success.
