Sir: 31st Oct. 6

I beg to acknowledge receipt of
 yr. letter No 152067-8 dated 28th inst
 re absentee pupils, & enclosing
 copy of correspondence rec^d
 from Mr. Agnes M^{rs} Douglass
 in reference to three of them.

I have with the Department
 sanction struck off our roll
 pupils Eli Hamick No 65, Ed
 Fox No 55 and W^m Rogers No 2.

who are now on age and
 cannot be sent back under the
 regulations. Their places will
 be filled by the
 Deputy Sup^t Gen^l of
 Indian Affairs at the Dept
 Ottawa. and upon these

filled by younger pupils.
 With regard to the two younger
 boys Douglas Charles No 67 Cass
 and John Rogers No 53 Lewis,
 I hope the Department will not
 permit them to remain on the
 Reserve they will do no good
 there nor can they be of any
 13 years of age & of much
 assistance really in the way
 of work to their parents, not
 enough to warrant them in
 keeping them at home. They
 should both be in the Squadron
 for the next 5 years and I
 would respectfully ask the Dep.
 to kindly insist upon these

two boys being promptly sent
back. Enclose copies of two
letters from Edward Charles
promising to send his boy back
at the expiration of his leave
and in time for the reopening
of school.

In no case have I ever made
any provisional agreement
limiting the time when taking
children into the institution, but
always used the Department's
form of agreement.

- " to remain therein for such term
 - " as the Dep. of Indian Affairs
 - " may deem proper &c &c.
- Referring to James Fox's letter

Let me I w^d say that in Mr.
Lanier we have a good teacher
painstaking and thorough in his
work and pushing the pupils
on in their studies.

Mr. McCaig, D. S. S. when visiting
the Springmont in September
last seemed much pleased
with the progress made in all
class work and said
"You have a good man in Mr.
Lanier and he is doing good
work there"

Principal's report for October
1890.

Sir:—

With one exception the health
of the pupils during the month
has been very good, the exception
referred to was that of pupil
Johnny Menace No 58 who was
under medical treatment for
ophthalmia for two weeks;
but thanks to Dr Reid's care is
now quite recovered and his
eye sight as good as ever it was.

 David Serran, of Spanish River,
 one of the three boys who ran
 away last fall after being put
 two days in the Home - Up to
 the present time the boy has
 not shown any symptoms of
 homesickness and is rapidly
 making friends with the other
 boys and I have no doubt
 will now settle down comfortably
 with us. He is a bright clear
 boy and learns quickly.

Upon receipt of the Dep't
 letter No 152067 & dated 22^d Feb
 I saw Mrs. Gray facts of
 Coughman's case. He is willing

to place her boys in the Home
 unconditionally and will sign
 an agreement to that effect
 when she brings them to the
 Shingwan. Shortly -
 Satisfactory progress has been
 made in all class work, and
 the pupils have worked faith-
 fully at their individual trades.
 From the accompanying trade
 returns will be seen the amount
 of work accomplished.

Trusting the Deputies will surely have pupils Douglas Charles No 67 Cuddy, and John Rogers No 53 Samia, referred to in my letter of 31st Dec^r, sent back to the Shingwant.

My dear Sir:-

I write to inform you that ~~the~~ the boy Sunday supported by the Church of Redemption Sunday School having become a true & pious pupil has now left the Shingwan and that he is at Sussex living at "Moravian town" and working on his father's farm. He was with us nearly three years and is now 18 years of age. He was one of our best carpenter boys and no doubt will be very useful and a great help to his people at home. I am always sorry myself to see old pupils leave the institution though in this case
