The sad apathetic feel. toward
 the Missionary diocese - the Old

The White Mission Churchman -
 Dear Sir:

I feel sure that
 it must be the wish of all who
 know & loved & respected our
 late revered diocesan, the Bishop
 of Algoma, to do honor to his
 memory now that he is departed
 from us.

His labours were many, his
 trials great, his faith & patience
 & love a rebuke to many.

As to work which in the face
 of difficulties meant ^{indisconvenient}

(9)

has been with, not an expression
has been offered that would give us
his memory, give a ray of hope
Not an old-Cliff-fetter's name was
to be found in a manner in which
as it deserves to be honored, ^{that} ~~particularly~~
his services in the Mission field were
to be acknowledged as of the deserve
to be acknowledged — namely by
the permanent establishment on a
sure & firm basis of that Diocese
and which the name of Traquair
must for ever be linked.

I, his Commissioner, have the
desire in my heart to do much, but
what can I do if the worth
state of affairs & an concern is still
so contrary.

I am issuing a Circular ^{to} ~~to~~ ^{to} ~~to~~
Not the Chapel which are my about

to build in Connecticut. Not one, ^{John} ~~John~~
of the site of which our Bishop's being
close & dedicated to
my purpose — should now be erected in
Memory of him. Now we all would
do well to be called "the Bishop's Chapel"
Memorial Chapel": \$3000 is the
to cost, of which \$600 is already received.

But tho' I feel, even if approved &
& carried into effect, is but a small
tribute to the worth of him who did
so great a work in so short a time
I think in the face of such great
difficulties. His work

must stand. We of Algoma
say that our Bishop's work must
stand. We give our solemn pledge
that so far as lies in our power, by
the grace of God it shall stand. Let
those who think with us rally to our
help.

I remain yr. faithful
servant
Edward J. Milam
Commissioner to the Bishop.

I trust yr. Lordship will approve
of kind yr. sanction & influence
in promoting the object.

As attention has been directed
to the Metropolitan & the XI Canon
enacted at the last sitting of the
Provincial Synod which appears
to throw the burden of responsibility
fully on the shoulders of the
Bishop or really until a
New Breviating Bishop can be
appointed.

I feel it therefore as duty
as a first step to lay before yr
Lordship & the Bishop

generally, the necessity that there
seems to be for a speedy & a
determined effort being made to
place the Missionary Society of
Alabama upon a more satisfactory
footing than it has hitherto held. It
would be poor honor to the Members
of this body & the help of God
to be determined entirely
self denying labours & in the face
of that & discouragement - increased
the number of his clergy from
7 to 15 & church edifices from
9 to 40 — if the work of
the Missionary Society were
now allowed to lapse.

Dear Sir -

I am anxious if
funds will admit to place one
of our Indian pupils at a Technical
College next autumn.

The pupil in question is named
Indrapunian - aged about 27 - He
has been some years study with me

as teacher & Catechist at Fawcett Run.

John is at present supported by
a gentleman in Canada - who gives
£20 per annum. This amount
I could depend on being continued

is a very clever lad - is learning
 Latin, Euclid, Algebra &c. - & has
 also been studying medicine for some
 time. The cost would be £50
 per annum for a few years & be
 a great help.

I enclose you a circular which
 will show that we propose erecting
 a Memorial Chapel to our late
 beloved Parents. I shall trace
 the necessary funds without asking
 for a grant. I remain dear Sir,

 at present received will require
 to be largely supplemented.

I should be content to be disposed
 to assist in this object - I shall be
