Principal's Report for May
1895

Sir,

The general health of the pupils during the month has been most satisfactory.

Since last writing our former patient, Miss Day, 135 has quite recovered & left the Hospital on the 30th inst.

I do not anticipate any further cases. Both she & her sister Ruby are now living in a cottage close
 Dept. Sup. Genl. of
 Indian Affairs
 Ottawa

close to the institution under
the care of a reliable woman.

Miss Brown who has
been in charge of the junior
school for nearly two
years has I regret to say
resigned & accepted a
position as stenographer
in the town. Her place is
filled temporarily by a
Miss Williamson from St.
Joseph's Island.

Repeated requests have
reached me that Joseph
Anthony No 36 be sent
home on account of his

his mother being sick. I have
 not complied with them
 because the lad is happy &
 contented here & making
 good progress & it would be
 a pity for him to go unless
 it is absolutely necessary.
 However in event of his mother
 getting worse, I understand
 from Mr. McKelvey she is in
 consumption, I would
 like to know if I have the
 Department's permission
 to send the lad home?

Farming operations
 have been vigorously pushed
 forward & I have reason to

to believe that with a
 favorable season this
 branch of Industry
 will produce more satis-
 factory results than
 in former years —

The Agent of the Department
 Mr. Sam Abbott paid us
 his usual visit of
 inspection on the 29th inst.
 I examined the Senior
 classes

I trust, that my report
 & estimated costs of

of repairs & improvements
so urgently needed at
the Shingwanuck packed
Ottawa safety & that
same will meet the
Department's favorable
consideration,

Have the honor to be
