Principal's Report for June  
1895

Sir,

The health of the pupils during the month has been most satisfactory. Steady progress has been made in the schools & all outside trades.

On the 3<sup>rd</sup> inst. Joseph Anthony No 36 was sent home temporarily on account of his mother being dangerously ill & on the 26<sup>th</sup> inst. had news of her recovery.

2

Boys Charles Johnson &  
Charles Isaacs from  
Worcester Island were  
admitted.

The Grand Jury of the  
District visited the houses  
during the month & inspected  
every Department most  
minutely. The Agent of  
the Department Mr. Van  
Abbott also paid his  
usual visit of inspection  
on the 21<sup>st</sup> & examined all  
the classes.

On the 20<sup>th</sup> inst. we had  
the great misfortune to

3

lose our Bull which died  
after three days sickness  
cause of death being  
inflammation, a serious  
loss to the farm & one not  
easily replaced.

I should be much obliged  
if the Department would  
kindly send about  
twenty-five copies of the  
quarterly return forms  
of school attendance, we  
are quite out & were  
obliged to borrow from  
Mr. Abbott to furnish the  
accompanying returns

The maps so kindly sent  
 us are most useful & a  
 great addition to our other  
 equipments. I cannot close  
 my report without again  
 thanking the Department  
 for their kind gifts.

Dear Sir,

I am in receipt of your  
 letter of the 15<sup>th</sup> inst. & in  
 reply I beg to say that  
 the allowing of pupils to  
 go home for holidays every  
 second year only is no  
 new regulation but an  
 enforcement of an old  
 rule as the records of the  
 institution prove

Pupils return fare paid  
 in advance & also an old  
 arrangement & I do refer  
 you to Rev. E. J. Wilson's  
 letter to yourself dated  
 July 187. in reference to

to this matter. I am aware  
 that these rules have been  
 broken through during the  
 past few years, had they  
 been adhered to the parents  
 would not have expected  
 their children's disappointment  
 & so feeling consequently  
 aggrieved.

With regard to informing  
 earlier, I notified you on  
 the 3<sup>rd</sup> inst. thro' early before  
 I was really in a position  
 to do so by before the  
 Com<sup>tee</sup> met on the 6<sup>th</sup> inst. I  
 did so because I feel  
 confident that the Com<sup>tee</sup>  
 looking at the enforcement  
 of this rule in the interest  
 of

to this matter. I am aware that these rules have been broken through during the last two years, had they been adhered to the parents would not have expected this children's disappointment & ill feeling consequently avoided.

With regard to informing earlier, I notified you on the 3<sup>rd</sup> inst. three days before I was really in a position to do so viz before the Com<sup>tee</sup> met on the 6<sup>th</sup> inst. I did so because I feel confident that the Com<sup>tee</sup> looking at the enforcement of this rule in the interest  
 of

of both the pupils & the  
 House would adopt the  
 cause they did.

Whether the Committee will  
 see fit to rescind their  
 decision this year in  
 favour of the boys

mentioned in my letter  
 I am not prepared to  
 state until I have seen  
 them, but be assured if  
 appear will receive full  
 consideration

Dear Sir.

I am sorry to say that a  
 few days before Louis  
 Martin should have written  
 his usual quarterly letter  
 to his supporters, the  
 poor boy was telegraphed  
 for to go home on account  
 of the death of his father  
 We are all very sorry for  
 little Louis in his great  
 loss, he is such a bright  
 lad & doing so well at  
 school. I am sure that

Y<sup>r</sup> Scholars also will  
 feel sorry for their  
 Pirtegi in his trouble.  
 Will you please explain  
 to them the cause of  
 Martin's usual letters not  
 reaching them & tell them  
 that he will return to us  
 again when school  
 reopens on the 19<sup>th</sup> Aug<sup>r</sup>.

I remain, Dear Sir

Principal's Report for July  
1895.

Sir,

The general health of the pupils during the month has been most satisfactory.

The Midsummer holidays commenced on the 5<sup>th</sup> inst. & school will reopen on the 19<sup>th</sup> August.

The following boys were permitted to go home during vacation to see their parents

Capt. Sup. Genl of  
Indian Affairs  
Ottawa

Isaac Sands 63, Rufus Sands 47  
 Dan Johnson 64, Alu Kuaggs 39  
 E. Ryokunui 48, Thomas Johnson 37  
 Wesley Jones 68, Arthur Neab 23  
 Eli Adams 29, Walter James 51  
 George Jackson 20, Robert White 34  
 John Menass 27, Lavinia Martin 19  
 Simpson Brigham 32, Relief 59  
 Ben Brigham 38,

I am desirous of the  
 Departments' sanction for  
 the discharge of the five  
 following pupils namely

James Fox No 4,	age 23 years
Nicolaus Relief 59	" 20 "
Ben Brigham " 38	" 19 - Jan 3
Simpson Brigham " 32	" 21 years
Joseph Sampson " 1	" 25 "

3

During the past two years  
these young men have been  
permitted to attend school  
all day & more time &  
instruction devoted to them  
then was given to the other  
classes. I am anxious that  
they should be no 5<sup>th</sup> class  
next term, that the Senior  
Teacher may give more  
attention to the 3<sup>rd</sup> & 4<sup>th</sup> classes.  
Simpson Brigham passed  
the High School Entrance  
Examination last year &  
wrote on the Public School  
Learning in June last. I  
have offered him to place

him in charge of the Junior  
 School & after the holidays  
 subject to the Department's  
 approval he will be placed  
 on the Staff here as Junior  
 Teacher.

Joseph Sampson has been  
 a pupil of the Shingwauk  
 for ten years, is now 35  
 years of age & I propose  
 to place him as Foreman  
 in our Boat & Shoe Shop,  
 he being competent, steady  
 & reliable.

James Fox (No 4) also  
 passed the Entrance exam-  
 ination last time & expects

5

to obtain an appointment  
as School Teacher

Ben Brigham & Riley are also  
able to earn a decent living  
for themselves & I have no  
doubt will obtain positions.

I shall therefore be glad  
if the Department will  
advise me at once if these  
two may be struck off  
the roll & their places filled  
by younger pupils?

The institution reached  
its majority during the  
month, twenty one  
years ago last Tuesday

His Excellency Lord Dufferin  
 Gov. Gen<sup>l</sup> of Canada laid  
 the foundation stone of  
 the King's Arms House  
 & the following October  
 eighteen Clergy were  
 admitted. Since that date  
 the buildings have been  
 in constant use & are  
 now sorely in need of  
 renovating & repairs &  
 I would again most  
 respectfully solicit  
 the Department aid in  
 order to place the institution

is a proper state of repair  
 & trust that my letter &  
 report in reference to this  
 important matter dated  
 14 May last will meet  
 with the Department's  
 favourable consideration.

I beg to acknowledge your

 we depend largely on the  
 Canadian Sunday Schools  
 for individual support of
