Dear Miss Simpson,

Yesterday we read about the  
sprite that sat on a moon beam from our II readers. We  
go to school at fifteen after one. We have new books  
yesterday morning too. I would like to see you soon.  
We have lots of fun in school. The boys and girls  
are learning as I am. My sister is learning hard.  
My mother had a little baby girl on March the 24.  
I was so surpraised when my father told me  
that she will be baptised on May. I send my  
love to Jimmy.

Good-bye
