

Shingwan Home.

The boys dormitories are on the right side the windows beneath the Cross. Mr Fuller's house is that small place built out on the boy's side with garage under the verandah. The staff rooms are in the section built out in the middle of the building. The girls on the left end.

Please save these snaps for me.

Interior Bishop Fauguerie 5  
Memorial Chapel  
(Shingwauk)

The tablets on either side  
of the Altar are the  
Ten Commandments  
and the Lord's Prayer written in  
Ojibway.

Three of the girls in native costume
