

## ***(official denial) trade value in progress Proposal***

*(official denial) trade value in progress* is to be donated by Leah Decter and Jaimie Isaac to the Shingwauk Residential Schools Centre (SRSC). The SRSC will project manage the last 13 months of activations of the project and ultimately workout a partnership relationship four the housing and care of the piece.

### **Stages of partnership:**

- 1) Final 13 months of activation of the project.
  - a. Leah and Jaimie leading the activations. Project management and financial support provided by SRSC
- 2) Documentation and book project focusing on *(official denial) trade value in progress*.
  - a. SRSC providing project management support and taking a lead role in the documentation and development of the book project.
  - b. Leah and Jaimie will play a significant role in the content development of the book project.
- 3) Development of pedagogical framework for second life of the project.
  - a. SRSC will approach an external partner to develop an MOU for long term storage and display of the piece. The SRSC will manage this relationship.
  - b. SRSC will develop educational programming around the artwork and book.
