RE: Funding for the AUC History Society

To Whom It May Concern:

The History Society is once again looking to educate the AUC student of history outside of the boundaries of the AUC campus. Last year our collective historical and cultural horizons were enriched by a visit from University of Toronto professor and author Sylvia Van Kirk and by a trip to Montreal.

Historically in previous centuries, an integral part of a student's education was a 'Grand Tour' of the countries that have been integral contributors to the evolution of western society such as France and Italy. In that tradition the History Society is planning a trip to Mackinac, and our 'Grand Tour' will climax with a trip to Chicago where we plan to visit several museums and art galleries.

While we are in the pre-planning stages for some fundraising activities such as sponsoring a pub and holding a spaghetti dinner (which was our main fundraising activity last year), we are asking if AUSA may be able to offer the History Society financial support in the amount of \$1500.00. This money will be used towards other fundraising events, bringing guest speakers to AUC, and helping to cover costs for our trip to Chicago. Some costs for the trip include rental vans, gas, and hotel rooms.

We feel that this money would be used to represent the History Society and AUSA in a positive way by promoting AUC through our club's activities. Thank you for your time in consideration of this matter.

Sincerely,

## **Programming Report**

Okay, here is my report as to what I'd like to see done with the pubs when I am gone, as well as my report on upcoming events and/or contracts

### **PUB NIGHTS**

September 26: Book Gene to be the DJ. People are really pleased with his work, he Does a great job and quite frankly its great to see an Algoma student Giving something back to the school. Visit him at Unit 15 in the Rez To let him know that he is working the pub on Sept 26. He is also Owed a cheque from last week.

October 2: E-NIGHT PUB!!! Ordinary pub, but I would like political campaign Signs from all the camps put in the T-Bird that night, and have live Election Night coverage on the TV. Sure, students may not be all that Politically aware, but it will be fun for a lot of people to see the results Flow in. Remember, election day is the day that people pay a lot of Attention to politics. Hire Gene to do DJ again.
