Editorial
by
Peter Johnston

President
of
the
Sodality
and
Student Council

To return to good old Garnier for another year and to partake in the various school activities which have been so well organized by Father Maurice is indeed a very great pleasure for us. Once again the familiar laughter of Garnier students echoes down the corridors of our Alma Mater.

Our Garnier is a well organized school. Everything rotates around our Sodality with its five committees - Our Lady's, Publicity, Social, Athletic and Dramatic. These committees will, we hope, function with the reliability of our new Ranch Wagon. The purpose of these committees is to give the students every opportunity to plan and carry out on their own initiative and ability the many activities of the school program. Already, a Smoker Club has been organized on a full scale membership plan, membership cards and fees. The Club has purchased an electric clock, a twelve-record nickelodeon for seventy-five dollars

Did the title of this news sheet strike you? It was meant to. It means something. This is not the Garnier Star. It is the "Garnier Stardust". Its purpose? Well, it is something of a new venture or experiment. The first issue, because it has taken time for the boys to organize into a functioning publicity committee, will, in content, be very much like the Garnier Star, but it is in a new format or set-up. After this issue, which will also be quite lengthy, the boys hope to publish the news sheet "The Garnier Stardust" every two weeks to keep its readers more abreast of happenings as they happen. "The Garnier Star" will be published three times a year, at Christmas, Easter and in June, more as a picture summary of what you will read in "The Garnier Stardust".

FROM THE EDITOR'S PEN (cont'd)....

on which they have paid fifty dollars. The boys have also bought several records for the nickelodeon. These, we trust, will be only a beginning. We have plans to continue improvements on the smoker in pace with the income from fees and the nickodeon. These beginnings reveal the ever progressing work being carried on in one direction by the committees. Plans for a grand scale Christmas concert are a leading topic with the dramatic committee. Our Lady's Committee is working on a new prayer book with appropriate prayers for the boys and girls, has a project in hand in the further beautification of the shrine to our Lady, and will make further additions to our Outdoor Life-size Christmas Crib. Our Athletic and Social Committees are kept occupied with their own busy departments. The boys of these committees ask: " Won't you, present and past students of Garnier, cooperate in improving our everyday activities? How? By interest, support and participation in those activities.

We hope you like this idea of keeping you in touch with our doings. And so, we call on all of you, grad-students, and friends of Garnier to let us know what you think. Your criticisms, comments and suggestions will be welcome. Your support, too, will be very much appreciated. The subscription for this timely way of writing to you of our doings, of keeping in touch with you will remain at the former rate of One Dollar a year. Please address all communications to - The Editor

SCHOOL SONG * * *

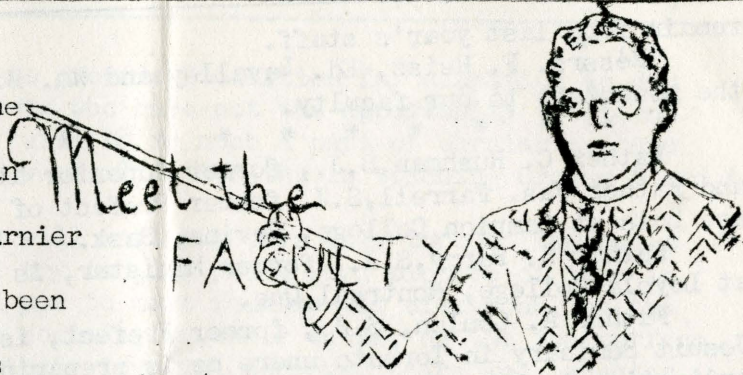

We're all in the fight for the
 Black, White, Red;
 For the Black, White, Red mean
 Victory.
 Let's all give a cheer for Garnier
 so dear,
 For the school that has ever been
 all to me.
 You can see our smoke signals
 lighting,
 As we go on the warpath fighting:
 Let's all sing and shout for the
 braves who are out-
 For the braves who are out for
 Victory!

We'll all do or die for GARNIER'S
 our cry,
 For GARNIER, we'll roll on to
 Victory.
 From our Wigwams we'll come racing
 And our enemies we'll go chasing.
 WE're all in the fight for the
 Black, White, Red,
 For the Black, White, Red means
 Victory.

FATHER LEO BURNS, S.J. * is Superior and Principal for his second year in office.
Father Norbert MacKenzie, S.J. is also here for another year. Father looks after the material needs of the school and teaches religion.
Father P.J. Brown, S.J., Prefect of Discipline of last year, now devotes his time to full time teaching.
Father W.P. Maurice, S.J., Prefect of Studies and Discipline, is at Garnier for his third year.
Father J. Murray, S.J., is again in charge of the Seniors and teaches History.
Father L. Brennan, S.J. replaces Fr. Joncas, S.J. who is now in Montraal studying: theology.
 Brothers Laflamme, Vandermoor, McClaren, Voisin and Mara remain unchanged
Father Jos. Barker, S.J. has replaced Father R. McElligott, S.J. who is stationed in Winnipeg.
Father E. Flaherty, S.J. is the missionary on the north shore line.
Father McHugh, S.J. was changed to Macdiarmid.
Mr. Jos. Sammon and Mr. Tim McGrath

high school, we have room to provide facilities for education as day scholars for the village boys who have not the opportunity to attend high school. We hope they will be as much a part of Garnier as have other village boys, one of whom, Tim McGrath, is teaching Grades 5 and 6.

Most of you readers will meet the boys only through the pages of our "Garnier Star". We 'll try to give you a good picture of them in every line. We would like you to meet them in the classroom, on the field, at their dances and socials, on their walks, on the ice surface, from morning to night, in their joys and sorrows, tears and laughter. We know you would like them. And so, we want to keep you in touch with them, to activate your interest, and enlist your support for a Garnier that will always grow, especially, you, our

Graduation does not mean that you step out of Garnier and St. Joseph's forever. It means that you step along in your lives, take a further step along the way that we have tried to show you, in the way that we have tried to train you. Because we have, in a certain sense, taught you how to walk, we are interested in **where** and how you are walking. So, no matter who you are, if you have ever gone to Garnier and St. Joseph's, let us know who you are, when you left our school, your school. **If you** know of other alumni and alumnae, let us know about them. The future is built on the past and the present. We would like you to know of the progress and growth of Garnier and St. Joseph's. We would like you to be a part of our school always.

PRESENTATION OF THE TOM LONGBOAT MEDAL TO BILL KINOSHAMEG ****

Peter Johnston - Reporter.

For the first time in the annals of Garnier's history, the coveted and distinguished Tom Longboat Medal was presented to one of last year's proud graduates, Bill Kinoshameg, in the Garnier Arena on the afternoon of October 28th, 1954.

This medal is awarded in every province, two in Ontario, to the outstanding student who has surpassed all others in both academic and athletic activities. All at Garnier knew Bill as a very capable scholar, a leader in every field. One proof of this, besides his all round popularity and proficiency, lies in the fact that Bill made with his own initiative and ingenuity a spotlight which is a treasured piece of Garnier's equipment. The presentation was made by Mr. Bitters of North Bay in the presence of Mr. Lawrence, Father Burns and the staff and the whole student body of both schools. An autographed book and sports equipment was also presented as a token from the Garnier school.

SODALITY

NEWS

by BERNARD

PETAHTEGOOSE

The Sodality of our Lady is an international organization and our school is a small branch formed a few years ago. Through it, the boys and girls of both schools learn how to be good leaders as well as spiritual-minded men and women in later life. In or out of school, it is hoped that the Sodality members of both schools will inspire others by their example as good Catholics.

is a combination of all the committees, formed this year for the seniors to give them a form of recreation different from years gone by. The boys, from their fees, bought for the Club a nickelodeon that is a welcome addition. It plays very well, and the boys are mighty proud to have it.

At the beginning of the school year, Father Maurice called all High School boys to a general meeting to explain the purpose of the Sodality and to organize our Sodality. Each boy was asked to list, in the order of his preference, the committee to which he would like to belong. When the committees were lined up, the nominations for president, vice-president, secretary-treasurer began. Peter Johnston was elected President, Frank Abel- Vice-President, Beverley McCue-Sec. Treasurer. Then the committee chairmen were elected by each committee.

Meetings are held every Sunday and a Chairmen's meeting every Wednesday afternoon during noon hour. Every boy gets a chance to bring up a subject which he would like to discuss and everyone expresses his opinion if he has one. By these meetings, the boys get training in how to run meetings and debates.

This is but a brief report to you, our readers, on what the Sodality is and what it does. In our next issue of the Stardust we will tell you more of what each of our committees has done in its own field of work.

The committees that were formed are now all very active in each field of work for which they are meant. The Smoker Club

Windows: A. Ominika, J. King; Floors: Cl. King, S. Toulouse.
Lunches: A. Goodleaf, A. Hardy, B. Shinos, J. Michel. Chairs: All.

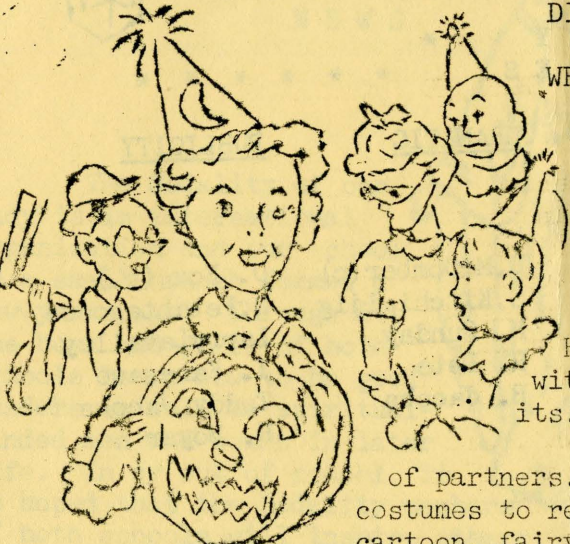

HALLOWEEN

PRODUCED BY - THE GIRLS' SCHOOL

DIRECTED BY - MISS M. SAUVE

WRITTEN BY - DAVID FOX

The Hallowe'en Masquerade Party and Dance, which was a great success, was held in St. Joseph's Auditorium. The hall was beautifully decorated with pictures and drawings on the walls to bring out the theme of Hallowe'en. There were even real live witches being chased by the good spirits.

PARTY

The party began with the matching of partners. The girls and boys dressed up in costumes to represent famous couples of comedy, cartoon, fairy tales and real life. When all had found their complements, a Paul Jones and a rip-roaring square dance held the floor. Costumes were judged while all had a grand march around the hall. Joan Meawassige and

Simon Kitchigijig too first prize for the most original costume which was an Indian Brave and Maid; Elva Chiblow and Raymond Couchie won second prize while masquerading as groom and bride. The final decision was made by the amount of applause.

The orchestra, composed of F. Heisz, J. Desmarais, T. McGrath and F. McGrath, alternated with the nickelodeon, thus giving the players much needed rest after a fast stompin' breakdown.

Lunch was served by the girls' Social Committee... Thanks for the candy apples, Miss Sauve; they sure were delicious.

The dance ended with the girls and boys tired, sleepy but happy..... Thanks, girls and Miss SAuve!

* * * * *

P.S. Everyone at the dance were happy, too, with their
CONCORDIA SHOES

Consult your local Concordia Representative, D. Fox, for particulars.

HARVEST DANCE

BY BERNARD PETAHTEGOOSE

The second highlight in the social life in the schools was the second annual harvest dance which was held in the Garnier recreation hall. It featured George Bruyere and his Grand Ole' Opry plus a cast of singers who, we think, are quite good for amateurs if we are to judge by the way they flung those little old notes around.

The show started at seven thirty with George giving the first selections of the evening. His three songs were wonderful and he deserves a lot of credit for his very fine singing and for strumming the ole guitar.

The Garnierettes, Vera Shawanda, Bernice John Sally Daybutch and Iris Morriseau were excellent in their rendition of "The Happy Wanderer" and several other selections.

"Hayseed", that hilarious comedian brought the house down from his flying entrance to his tripping exit. Somehow or other, he could not stay on his feet. Everytime his friend "Hayfever" bellowed at him, he seemed to be bowled over. Together, they sang "Poor Old Kaliga" in rustic fashion. Their antics and expressions gave the audience many a merry laugh.

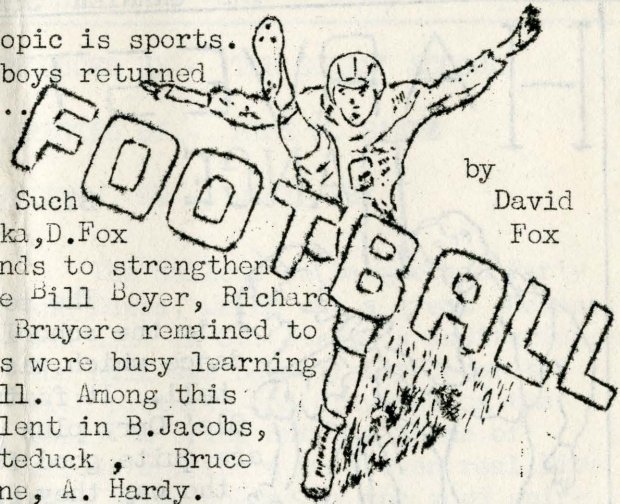

"Homer" Jones and "Jethro" Abel gave the enthusiastic audience their own rendition of "This Ole House". It was a new one since the words were jumbled and juggled somehow to make it extremely funny.

"Minnie Pearl" (Iris Morriseau) sang "Swiss Moonlight Lullaby" in wonderful fashion. We all liked her yodelling. "Hank" Johnston was superb in "Much Too Young to Die". The hearty applause he received showed that everyone enjoyed his rendition.

This show was put on by the boys and girls as an entertainment before the dance. They carried the whole program on their own initiative and direction. Their own eagerness to make it a success made it very much just that. Congratulations! girls and boys!

On the campus the usual topic is sports. Highlighting this talk after the boys returned was.....

Most of the high school students turned out for practice in quest a birth on the gridiron squad. Such stalwarts as Tim McGrath, A.Ominika, D.Fox and Roland Manitowabi were old hands to strengthen the backfield, while old boys like Bill Boyer, Richard Morriseau, Bill Sunday and George Bruyere remained to hold the front wall. New recruits were busy learning the fundamentals of tackle football. Among this group, there is some promising talent in B.Jacobs, Lucis Pelletier, H. Jones, P. Whiteduck, Bruce McComber, Ray. Morrison, M. Jawbone, A. Hardy.

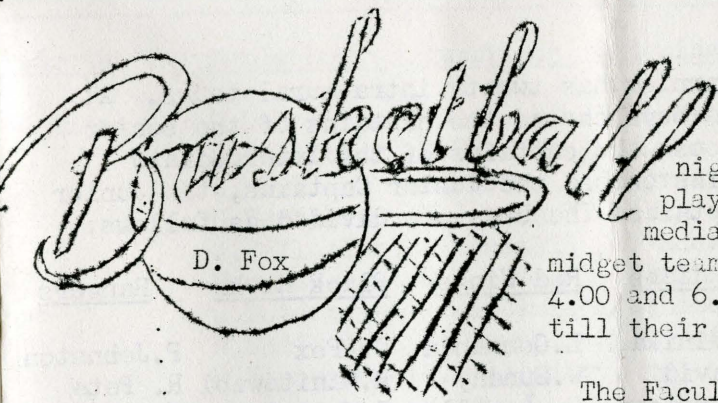

by David Fox

The first taste of football the boys experienced was between two well-balanced intra-mural teams chosen by D.Fox and McGrath and called the Blue Bombers and Green Hornets. The opening quarter resulted in a cat and dog affair with neither side making much headway. Early in the second half, Agillius received a nice long screen pass to chalk up the first touchdown. On a kick, Tim made one of his sensational runbacks to tie the game. The Hornets led at three-quarter time 6-5. The Bombers fiery spirit led them to victory with Dave Fox making two majors, the last clincher coming in the dying moments of the game.

EXTRA-MURAL FOOTBALL - * * *

The first game the local squad played was in Espanola against a senior team. The strong opposition resulted in a crushing defeat for the boys 38-0. The boys suffered injuries one after the other with Dave, Agillius and Bill Boyer out for a good part of the game. Perhaps the recruits suffered a little too from football fright in their first game. However, they put up a gallant fight from the opening whistle to the end. *****Bill Sunday, Agillius, Bill Boyer.

The second game was played a few days later against the same Espanola team. The boys proved themselves by holding the opposition to a 1-0 score. The Espanola squad scored their lone field goal late in the second quarter, but the boys were marching up and down the field with passes and plunges by Mel Reid and Alec David that were beautiful to watch. At times, it seemed that the boys had the game in the bag but they just couldn't get across the pay line. The boys were without the services of Dave and Agillius. *****Mel Reid, Bill Sunday, A.David, Pete. Front line ***** G.Bruyere, Lo.Lavalley, Bernard, Bill Boyer.

The intra-mural league is going full-swing. Each night after study, the boys play two senior and two intermediate games. The junior and midget teams have their time between 4.00 and 6.00 and again after supper till their early bed-time.

The Faculty has tried desperately to gain a win over the boys. In the first two games, they showed their lack of practice. The games were good and often very close but age told and youth surged ahead. On Friday, Nov. 12th, the faculty were persuaded into another game by the Captain of the Garnier All-Stars. The boys looked sure of themselves. Unfortunately, for the boys, the faculty team showed great spirit and overcame the Garnier team by defeating them by a very unexpected score of 40-27. The strategy of age paid off. We hope to see the faculty in the future for another game.

INTRA-MURAL BASKETBALL STANDINGS - Nov. 14/54.

Seniors	Won	Lost	Tied	Points	Interned.	Won	Lost	Tied	Points

GAS FROM THE KITCHEN !!!

by PETER JOHNSTON.

Our famous Garnier cook, Bro. Mara, is going about his work all smiles. Why? Because his long awaited dreams of a modernized kitchen have come true. A new red-tiled floor has been laid and a five foot high strip of glazed white tile now adds a touch of beauty to the wall. The remaining portion of the wall has been covered with hard board and painted coral blue. In addition to this splendid job of remodelling, a new two-oven propane gas stove has been installed. In the adjoining room, the old bakery, a new floor has also been put in and an electric dishwasher has been added. A good deal of arborite give the new kitchen bright and colourful a pearance. Add to this, the traditional smile of Bro. Mara and you have a kitchen that has no resemblance to the old one except the smile which is now a bit broader. Thanks Fr. Burns and Fr. Mackenzie for this improvement!

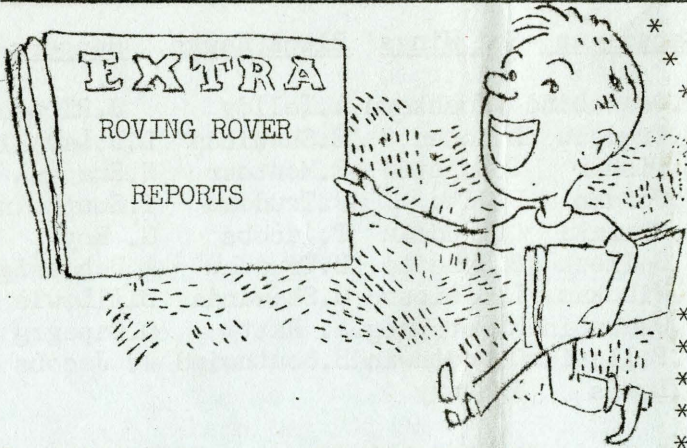

***** AN EVENING OF SONG AND LAUGHTER YOU WILL ALL ENJOY! *****

ANNOUNCING "GARNIER'S GRAND OLD OP'REY SHOW"
