This building is only a sm. part, that you
see in the picture. It is wonderful in
side, & all kinds of American Tourists
come here, & the prices are sky high.
It is just wonderful in side & the drapes.
& furniture & waitresses and lovely view
out over the sea, & hundreds of sea & lot of birds
for tourist.

we left after we

Margaree River. . . . Thirty miles from Baddeck, is the beautiful and well known Margaree Valley, famous for its salmon fishing. The Margaree township was one of the four sub-divisions of the north-western part of Cape Breton Island formed in the year 1828. The district was named by the French "Marguerite" and by the Indians "Weeukuch".
