# Introduction

This photo album has been compiled by the Shingwauk Residential Schools Centre. The Centre developed out of the work undertaken by the Shingwauk Project. The Project began in 1979 as a cross-cultural research and educational development project of Algoma University (AU) and the Children of Shingwauk Alumni Association (CSAA).

The Shingwauk Project and the CSAA have undertaken many activities since 1979 including reunions, healing circles, publications, videos, photo displays, curriculum development and the establishment of an archive, library and heritage collections, as well as a Shingwauk Directory and website. Over many years and in many ways these initiatives have been generously supported by Indigenous and non-Indigenous governments, churches, non-governmental organizations and private individuals.

The desire of the Shingwauk Project to promote *sharing, healing, and learning* continues today through the work of the Shingwauk Residential Schools Centre.
